

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

For COSTIVENESS.— Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Pilles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be: promptly relieved.

For Dyspeprala, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthum, hodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a Four, Spomach, or Morbid Inaction of the

will rapidly disappear. When it has gone, conforget what cured you.

For a Four, Stomach, or Morbid Inaction of the Bonels, which produces general depression of the spirits and bad health, take from four to eight Fills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Narvotness, Sick Headache, Nausea, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

rders because your stomach is foul.

FOR SCHOPULA, ERYSIPPLAS, and all Diseases of the Skin, take the Pills freely and frequently, to of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

of the unclean diseases of the sam, because your system wants cleansing.

To PURITY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every

here. Liver Complaint, Jaundice, and all Bilious LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhoa, prevails. Feverish symptoms, languar, low spirits, weariness, Feverish symptoms, languor, low spirits, weariness restlessness, and melancholy, with sometimes in reetlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness;
sometimes there is severe pain in the side; the skin
and the white of the eyes become a greenish yellow;
the stomach acid; the bowels sore to the touch;
the whole system irritable, with a tendency to fever,
which may turn to bilious fever, bilious colic, bilious
diarrhoza, dysentery, &c. A medium dose of three
or four Pills taken at night, followed by two or three
in the morning, and repeated a few days, will remove
the cause of all these troubles. It is wicked to suffer
such pains when you can cure them for 25 cents.
RHEMATISM, GOUT, and all Inflammatory Fevers, are rapidly cured by the purifying effects of
these Pils upon the blood and the stimulus which
they afford to the vital principal of Life. For these
and all kindred complaints they should be taken in
mild doses, to move the bowels gently, but freely. and all kindred complaints they should be taken mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Fill can be made more pleasant to take, and certainly none has ocen made more effectual to the purpose for which a dinner pill is employed.

Another Method of Inhaling is to put Olive Tar on the Oiled Silk Plastor, which being worn upon the chest, the heat of the bodywill cause-the Olive Tar to evaporate grad analy, and as it rises it will be inhaled. The Oiled Silk Plaster should be medicated with fresh Olive Tar every other day. In acute cases, or in those of long standing, both of the above methods of inhalation should be used. By adhering to the above direction, the very worst forms of diseases of the Throat or Lungs, if not speedily cured, will be greatly relieved; while temporary Codds, Sore Throats, Infismed Lungs, Catarrh, Croup Coughs, &c., &c., will yield at once to its combined curative powers.

STAFFORD'S OLCYE TAR softems and penetrates the skin; therefore in all all Chronic or active Inflammations it will be found highly beneficial, as it acts directly upon the Nerves, the Muscles and the Joints.

OLIVE TAR OINTMENT is made by mixing Olive Tar and Mutton Taillow in equal parts. This Ointment is a positive cure for all diseases of the skin.

The Greatest Medical Discovery of the Age.

Dr. KENNEDY, of Roxbury has discovered, in one of omcommon pasture weeds, a remedy that cures EVERY KIND OF HUMOR,

from the worst Scrofula down to a common pimple. He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of Pimples of the face.

Two to these bottles will clear the system of Biles.
Two to these warranted to cure the worst canker in the mouth or stomach.
Three to five bottles are warranted to cure the worst case. to two bottles are warranted to cure all humor in One to two pounes as a series the Eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and

anning ulcers.
One bottle will cure scaly corruption of the skin.
Two to three bottles are warranted to cure the worst Two to three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure the salt

rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and

a perfect cure is warranted when the above quantity is

taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
Bo sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are it wo things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful. and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854. I sold over one thousand bottles per day—in April, 1864. I sold over one thousand bottles per day—in Bousiness twenty and, thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of if from all quarters.

In my own practice I always kept it strictly for humors—but since lite introduction as a general family medicine

great and wounterint virtues have been cursed by a few botseveral cases of epileptic fits—a disease which was always considered incurable, have been cursed by a few bottles. O, what a mercy if it prove effectual in all cases of
that awful malady—there are but few who have seen mor
of it than I have.

I know of several cases of Dropsy, all of them agod people cursed by it. For the various diseases of the Liver, Sick
Headache, Dyspepsia, Asthma, Fever and Ague, Pain in
the side, Diseases of the Spine, and particularly in diseases
of the Kidneya, &c., the discovery has done more good than
any medicine ever known. No change of use were secondary and enough of it.

Dimecrows For Use.—Adults one table spoonful per day children over ten years dessert spoonful. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

LESS WHALEBONE SKIRTS.—We take pleasure in again introducing our Improved Seamless Skirt, as being the inost acceptable and reliable article in market: we are aware that many new styles called improvements are before the public, such as India Rubber, Gutta Percha, Rattan, &c., all of which we have if called for—but cannot recommend them, as we have experimented with and tested them all—(most of them two years since), submitting them to the judgment of competent ladies to decide upon their merits, and have found them from actual use, to be in all important respects, decidedly inferior to our properly prepared Whalebous, which has been in use the past two years, and for which has been expressed from all parts of the country entire satisfaction; and we have the more positive evidence from our own large retail trade, amounting to many dozen per day. Therefore we confidently recommend our Skirts to be the least objectionable now in use; possessing many advantages found in no other Skirt, the most important of which is our series of clastic Cords at the bottom, made from the only material that can be used, that will recover its place when pressed out of shape, will not roll or curl, is not affected by heat or cold, and can be washed without injury. These cords at the bottom, instead of bones, which are exceedingly awkward and inconvenient, with our own prepared bones above and a fabric manufactured by ourselves expressly for our goods, in our estimation and the estimation of thousands who have used them, produces a Skirt and the only Skirt equally adapted to the parlor, the street, and the crowd, giving a proper, graceful and elegant form to a Ladies' dress, light, pliable, easily adjusted and in every respect a complete article. The public are cautioned against all imitations or other goods called Seamless Skirts. Every genuine article is stamped E. & J. Hollmes Improved Seamless Whalebone Skirt, and are for sale at 99 Market Street, Philadelphia, and in the principal Jobbing Houses in New York and Boston.

OAP! SOAP!! SOAP!!!.—The undersigned take this method of informing the citizens of the City and County of Lancaster, that they have, at a great expense, purchased the exclusive right to the manufacture of a newly invented and patented

LABOR SAVING SOAP, which, if used according to the directions accompanying each piece, will be found to exceed any thing of the kind ever introduced into this community.

In using this Soap, the laborious and painful process of rubbing and wearing out clothes and fingers on the wash-board is entirely obviated.

Clothes washed with this Soap need no boiling, which amounts to a saving of nearly the wages of a washerwoman.

amounts to a saving of nearly the wages of a washerwoman.

Ladies taking in washing will find it greatly to their adrantage in every point of view, to use our patent Soap.

No danger need be apprehended as to clothes being injured by using this Soap, as there is not an ingredient in
it that has the least tendency in that direction.

We have made arrangements with nearly all the principal Grocers in the city for the sale of it, and as soon as
we can manufacture a sufficient quantity we shall take
measures to supply Country Merchants. In the meantime, persons, wishing the article can be supplied at the
Manufactory, corner of Duke and Chestnut streets, Lancaster, Pa. manuactory, consider the truth of what we assert, we ask a fair and impartial trial of the Soap, and we will risk the result.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthma, Bronchitis, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nauscate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford ne little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 24, 1852) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordially recommend it to those who are thus afflicted:

MARTIN C. HURD,

Chamber street, Boston.

N. B.—This compound does not nauscate like the clear Cod Liver Oil, but can be taken with pleasure by the most delicate females.

TONICS WON'T DO1—They never did do more than give temperary relief and they never will. It is because they don't touch the cause of the disease. The cause of all ague and billious diseases is the atmospheric poisson called Miasma or Malaria. Neutralize this poisson by its Natural Antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm. This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician:

GEORGETOWN, Ohio. March 18, 1856.

JAS. A. RHODES, Esq.—Dear Sir. Yours of 2d inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to try it was greatly increased from the the fact that a remedy had been introduced which was growing in favor with the public, as being better than using Quinine,—not knowing I presume that the remedy they used to escape taking Quinine, contained the Drug Itself!

This remedy, (known as "Smith's Tonic,") would invaribly break an Ague, but it did not cure it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a text comparison between it and your cure. The following is the result.

Three persons took your "Cure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing They had tried Quinine, and other remedies, occasionally missing a chill, but it was, (as in all such cases,) slowly wearing them out, and laying the foundation for other and severer maladies. I did succeed in effecti "Cure" the advantage ground of any other remedy now in use here, &, &c. WILLIAM BUCKNER, M. D. Rhode's Fever and Ague Cure, or Antidate to Malaria, tine only harmless remedy in existence, is equally certain as a preventive, as a "Cure." Take it when you feel the

Patent Ambrotypes.—The subscribers having purchased the exclusive right of Lancaster city, are now enabled to offer to the public a New STYLE OF PICTURES, far exceeding, in beauty and durability, anything ever be fore made. These pictures are not reversed, (as daguerreotypes areand may be seen in anylight. They also possess the rare property of being IMPERIBIABLE, being hermetically sealed between glass plates, which is secured by Letters Patent, in the United States, Great Britain and France, and practised in Lancaster city by T. & W. CUMMINGS, only, over Sprecher & Bro.'s New Store, North Queen st., Lancaster.

EXPLANATION.

The term AMBROTYPE, by which these Pictures are designated: is derived from the Greek word Ambrolos, signifying indestructibility, permanency. &c. The Picture is taken upon plate glass, to which another plate of corresponding size is secured with an indestructible cement, by which the picture will retain its original brilliancy for ages; it will not corrode by acids, nor be injured by water or climate. It is bold in its effect, beautiful in tone, surpasses any thing in the gradations of light and shade, and may be seen in any light. The public are cautioned against imitations made on single plates of glass, with the Slack variath in lumediate contact with the Picture—buch are not permanent, as the varnish must crack and destroy the Picture.

AMBROTYPE STERESCOPES MUST BE SEEN, to be appreciated—the relief being fully as perfect as life. Citizens and Strangers are invited to call at the Ambrotype Gallery of the undersigned, and examine specimens before they procure Pictures elsewhere, as they are assured of polite attention.
