

CATHARTIC PILLS

(PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

For Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For Dyperpia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodybiurn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOU. STOMACH, or Morbid Inaction of the Bonels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Neuvousness, Sick Headache, Nausea, Panin in the Stomach, Buck, or Side, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Neuvousness, Sick Headache, Nausea, Panin in the Stomach, Buck, or Side, take from four to eight Pills at first, and sm CATHARTIC PILLS

some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients' your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To Pumpy the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which einpites the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhem, prevails. Feverish symptoms, languar, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drawsines; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious coich bilious diarrhem, dysentery, &c. A medium dose of three LIVER COMPLAINT, JAUNDICE, and all Bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked the suffer such pains when you can cure them for 25 cents.

Refermatism, Gout, and all Inflammatory Fewers, are rapidly cured by the purifying effects off these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has ocen made more effectual to the purpose for which a dinner pill is employed.

J. R. STAFFORD'S OLIVE TAR

J. R. STAFFORD'S OLIVE TAR.

A GREAT ELECTRICAL REMEDY FOR PREVENTING
AND CURING ALL DISEASES OF THE
THROAT AND LUNGS.

Olive Tar is Applied and Inheled, and is not Takon.
DIRECTIONS.—Apply by rubbing where pain or disease
exists: then cover the parts with a plaster made of oiled
Silk, to which stitch a thin layer of cotton batting; then
sover the batting with thin muslin. Cotton or woollen
fannel may be used instead of the oiled silk plaster, but
the operations of the remedy will not be as speedy, nor as
effective. FOR INHALING.—Place a saucer over a bowl of hot water

and seep it not; pour into the saucer enough Olive Tar to cover the bottom; the apartment will soon be filled with to dor, affording to the patient an atmosphere impregna-ad with the delightful blended aroma of The Olive and of the Pine. method.

Another Method of Inhaling is to put Olive Tar on the Olied Silk Plaster, which being worn upon the chest, the heat of the body will cause the Olive Tar to evaporate grad ually; and as it rises it will be inhaled. The Olied Silk Plaster should be medicated with fresh Olive Tar every other day. In acute cases, or in those of long standing, both of the above methods of inhalation should be used.

By adhering to the above direction, the very worst forms of diseases of the Throat or Lungs, if not speedily cured, will be greatly relieved; while temporary Colds, Sore Throats, Indiamed Lungs, Catarrit, Croup Coughs, &c., &c., will yield at once to its combined curative powers.

BTAFFORD'S OLCVE TAR softens and penetrates the skin; therefore invall all Chronic or active Inflammations it will be quand blighly beneficial, as it acts directly upon the Nerves, the Muscles and the Joints.

OLIVE TAR OINTMENT is made by mixing Olive Tar and Mutton Tallow in equal parts. This Ointment is a positive cure for all diseases of the skin.

BEPAIR ADDRES OLIVE TAR does not contain any mineral of the property of the contain any mineral and without parts.

ASP Pain cannot exist where Olive Tar or Olive Ointment' Mapplied.

STAFFORD'S OLIVE TAR does not contain any mineral substances, nor any poisonous drug: the principal ingredients are Pitch Pine Tar, and Oil of the Spanish Olive.

STAFFORD'S OLIVE TAR is manufactured by a process recently patented by Mr. J. R. Stafford. Practical Chemiat, by which process all the Acid and Acrid properties contained in the substances forming this Compound are separated without the use of Chemicals.

Sold by H. A. Rockafield, No. 2 E. Orange st., only Agent in Lancaster.—Also, Wholesale and Retail, by the Stafford Olive Tar Company, 16 State street, New York, and Druggists generally.

The Greatest Medical Discovery of the Age. Dr. KENNEDY, of Roxbury has discovered, in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR,

from the worst Scrofula down to a common pimple.
He has tried it in over 1100 cases, and never failed except
he wo cases, (both thunder humor.) He has now in his
possession over two hundred certificates of its virtue, all
within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of Pimples
on the feca. on the face.
Two to three bottles will clear the system of Bilos.
Two bottles are warranted to cure the worst canker in
the mouth or stomach.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and

Two to three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure the salt

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and

a perfect cure is warranted when the above quantity is a perfect cure is warranted when the across quantary at taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
Bo sure as water will extinguish fire, so sure will this sure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

discovered it in 1840—second that it should cure all kinds of humor:

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day—in Edome of the wholessle Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen more that a have.

I know of several cases of Dropsy, all of them aged peo-cured by it. For the various diseases of the Liver, Sick adache, Dyspepsia, Asthma, Fever and Ague, Pain in side, Diseases of the Spine, and particularly in diseases he Kidneys, &c., the discovery has done more good than medicine ever known.

CONSUMPTION AND ALL DISEASES

OF THE LUNGS AND THREAT Re positively cursible by inhalation, which conveys the remedies to the
cavities in the lungs through the air passages, and coming
in direct contact with the disease, neutralizes the tubercular matter, allays the cough, causes a free and easy expectoration, heals the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that ione and
sonerys so indispensable for the restoration of health. To
be able to state confidently that Consumption is curable by
inhalation, is to me a source of unalloyed piesaure. It is
as much under the control of medical treatment as any
other, formidable disease; ninety out of every hundred
cases can be cured in the first stages, and fifty per cent in
the second; but in the third stage it is impossible to save
more than five per cent,, for the lungs are so cut up by the
disease as to bid deflance to medical skill. Even, however,
in the last stages, inhalation affords extraordinary relief
to the suffering attending this fearful scource which annually destroys ninety-five thousand persons in the United
States alone; and a correct calculation shows that of the
present population of the earth, eighty sulltions are des
timed to fill the Consumptive's grave.

Truly the quiver of death has no arrow so fatal as Consumption. In all ages it has been the great enemy of life,
for it spares neither age nor sex, but sweeps off alike the
brave, the beautiful, the graceful, and the gifted. By the
help of that Supreme Being, from whom cometh every good
and perfect gift, I am enabled to offer to the afflicted a permanent and speedy cure in Consumption. The first cause
of tubercles is from impure blood, and the immediate-effect,
produced by their deposition in the lungs, is to prevent the
free admission of air into the aircells, which causes a weakread vitality through the entire system. Then surely it is
more rational to expect greater good from medicines enter
ing the earlies of the lungs than from those admi

L. LESS WHALEBONE SKIRTS.—We take pleasure in again introducing our Improved Seamless Skirt, as being the most acceptable and reliable article in market; we are aware that many now styles called improvements are before the public, such as Iudia Rubber, Gutta Percha, Rattan, &c. all of which we have if called for—but cannot recommend them, as we have experimented with and tested them all—(most of them two years since), submitting them to the judgment of competent ladies to decide upon their merita, and have found them from actual use, to be in all luportant respects, decidedly inferior to our properly prepared Whalebons, which has been fu use the past two years, and for which has been fu use the past two years, and for which has been fu use the past two years, and for which has been fu use the past two years, and many dozen per day. Therefore we confidently recummend our Skirts to be the least objectionable now in mee; possessing many advantages found in no other Skirt, the most important of which is our series of elastic Curds at the bottom, made from the only material that can be used, that will recover its place when pressed out of shape, will not roll or curl is not afferted by heat or cold, and can be washed without injury. These cords at the bottom, instead of hones, which are exceedingly awkward and inconvenient, with our own prepared bones above and a fabric manufactured by curselves expressly for our goods, in our estimation and the estimation of thousands who have used them, produces a Skirt and the only Skirt equally adapted to the parior, the street, and the crowd, giving a proper, graceful and elegant form to a Ladies' dress, light, pliable, easily adjusted and in every respect a complete article is stamped E. & J. Neutralize this pois cause of all ague and billious diseases is the atmospheric poison called Missma or Malaria. Neutralize this poison by its Natural Antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria. and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician:

GEORGETOWN, Ohio, March 18, 1865.

JAS. A. RHODES, Esq.—Dear Sir: Yours of 2d Inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to fry it was greatly increased from the the fact that a remedy had been introduced which was growing in favor with the public, as being better than using Quinine,—not knowing I presume that the remedy they used to escape taking Quinine, contained the Drug Itself! This remedy, (known as "Smith's Tonic,") would invaribly break an Acue, but It did not care it is it would direatly break an Acue, but It did not care it is a six would direatly break an Acue, but It did not care it is a six would direatly the contained the care it is a six would direatly be a six would direatly the contained the care it is a six would direatly the contained the care it is a six would direatly the care is a six would direatly the care in the care in the care is a six would direatly the care in the care in the care in the care is a six would direatly the care in the care

used to escape taking Quinine, contained the Drug Itself' This remedy, (known as "Smith's Tonic,") would invaribly break an Ague, but it did not cure it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your cure. The following is the result:

Three persons took your "Cure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing They had tried Quiniue, and other remedies, occasionally missing a chill, but it was, (as in all such cases,) slowly wearing them out, and laying the foundation for other and severer maladies. I did succeed in effecting a radical cure of all three of these cases with your remedy, and they have not had a chill since. In all three of these cases the "Smith's Tonic" had been used, and would, as before stated, break the chill, but after a period or two had elapsed would return. ted, break the chill, but after a period or two had elapsed would return.

I think there will be no difficulty now in giving to your "Cure" the advantage ground of any other remedy now in use here, &. &c. WILLIAM BUCKNER, M. D.

Rhode's Fever and Ague Cure, or Antidote to Malaria, the only harmless remedy in existence, is equally certain as a preventive, as a "Cure." Take it when you feel the chills coming, and you will never have a single one.
