fair. On the 15th inst, Mr. Casper Hibler, residing near Dallastown, York County, Pennsylpurpose of drawing water, when the walls caved in precipitating him down the well, a

At the time the accident occurred Mr. Hibler was alone at home, his wife having gone on a visit to his mother, who was ill. She returned about five o'clock, and not finding her husband in the house, she called and received an answer, when, on searching for him she found that he was in the well. The alarm was immediately given, and strenuous efforts made by the neighbors to rescue him from his perilous situation. They worked faithfully, and the strength was within aighteen inches and at one time were within eighteen inches the unfortunate man conversing with them all the time. Their exertions, however, seemed to avail but little, for as fast as they succeeded in removing the earth and stones, fresh quantities would fall upon him. Finding their exertions in his behalf of no avail, the doomed man, shortly after midnight, requested that his wife be brought within hearing of his voice, that he might bid her a last farewell. His request was complied with, and we leave the reader to imagine the scene the anguish of mind of her who, on the 14th of April list, he led to the altar a bride. At one o'clock on Tuesday morning he ceased to exist, and his lifeless body was found about four o'clock, much bruised, with one hand off.

The Murder at McKeesport, Pa. PITTSBURG, July 11.—The jury this evening rendered a verdict of guilty of murder in the first degree, against Charlotte Jones, Henry Fife and Monroe Stewart, who were implicated in the murder of the Wilson family, at McKeesport, Pa. The trial lasted eleven days, and produced an intense interest in the community.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and I have no doubt, permanently so.

Ex-Senator United States.

The Greatest Discovery of the Age—It seldom occurs, that we notice, under any circumstances, patent medicines, rostorativet, or anything of the kind, for we have a prejudice against m \$t\$ of them. But candor compels us to invite attention to the advertisement of Prof. Wood's Hair Restorative. We are too Juvenile to require anything of the kind, but some instances of its use have come to our knowledge which simost assure us that it is a sovereign remedy against the hair becoming prematurely gray. It is not a "Hair Dye," but upon its application as directed, the effect is produced on the skin, which brings out the original native colored hair, without stiffness, and gives it a glessyand natural appearance. We have seen persons who have used it, and they are much pleased with it.—Missauri Republican.

On the 27th ult., Jacob Musser, of Paradise township, in the 32d year of his see.
Ten days previous to his death, Mr. Musser was riding from home, when at some distance from his fesidence, his horse fell with him and on him, fracturing some of his bones and burst a blood viesse, from which he blied excessively, and up to the time of his death, suffered the most excruciating pain.

He served his apprenticeship in the "Intelligencer" Printing Office, in this city, under the fostering care and instruction of Mr. William Dickson, its first Editor and Proprietor. Mr. Religart's amiable disposition of character soon gained him many friends. He built the Banking House on the corner of Dutes and East King streets, now occupied by the "Farmers' Bank." During the war of 1812 he marched to Baittioner, and was one of the gallant defenders of that city—having exhibited the bravest conduct at Fort McHenry during the bombardment by the British. He afterwards conducted and superintended the publication of "Miles" Registor," is a saisteant Editor and Publisher until after Mr. Niles' death, and was his execution. THE MARKETS.

Philadelphia Market. SATURDAY, July 11.

There is very little demand for Flour to-day, and the vania, went to his well, in the yard, for the market continues dull at \$7,12 @ \$7,25 for standard superfine. There is not much doing in Wheat, and prime lots are scarce and held above the views of buyers. Some 3000 bushels, however, have been sold, at 183 @ 187c for red, and 190 @ 193c for white, as in quality. Bye unsettld and lower, about 1000 bushels Pennsylvania having been sold at 105 @ 103½, mostly at the latter rate. The market for Groceries remains inactive, and we are only advised of some further sales of Rio Coffee at 111/2c,

"I am happy to say of your Carnaric Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dr. J. C. Ayra — Sur: I have taken your PHs with great benefit, for the listlessness, languor, loss of appetite, and Billious headache, which has of late years overtaken me in the spring. A few does of your Pills cured me. It have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. The widely renowned S. S. STEVENS, M. D., of Wentworth, N. II., writes:

"Having used your Cathabite Pills in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgaive remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pectoral as the best Cough medicine in the world; and these Pills are in no wise inferior to that dmirable preparation for the treatment of diseases."

"Never until now have I been free from this loathsome disease in some shape. At times it attacked, my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my bead, and destroyed my hair, and has kept me partly baid all my days; sometimes it came out in my face, and kept it for months a raw sore "About nine weeks ago I commenced taking your Cathatic Fills, and now an entirely free from the complaint. Carr. JOEL PRATT, of the ship Marion, writes from Bootton, 20th April, 1854:

"Your Pills have cured me from a billous attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Chesary Pacroals, and since then has enjoyed perfect health. My children have several times been cured from attacks of the influenza and Croup by It. It is an invaluable remedy for these complaints. Your Cartharts Pills have entirely cured me from a dyspepsia and contiveness, which has grawn upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing tour family, and you may well suppose we are not unmindful of it.

"Da. J. C. Arra — Honored Sir: I have made a thorough trial of the Carrawter Plant, left me by your agent, and have been cured by them of the dreaful Rheumatism under which he found me suffering. The first does relieved me, and a few subsequent doses have satirely removed the disease. I feel in botter health now than for some years before, which I attribute entirely to the effects of your Catharic Pills. Yours with great respect, LUCIUS B. METCALF." The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.
