From Kansas. Sr. Louis, July 17.—The Democrat publishes advices from Kansas, stating that Gov. Walker has issued a proclamation declaring his intention to put down all opposition to the Territorial laws by force.

He warns the citizens of Lawrence not to

Fine, beautiful hair—jet black or brown;
Or tresses, curling and golden—
Is the certain result—without chance or doubt—
Of the use of LVJN'S KATHAIRON.
The immense sale of Lyon's Kathairon—nearly 1,000,000 bottles per year—proves its excellence and universal popularity. It restores the Hair after it has fallen out, invigorates and beautifies it—making it soft, curly; and glossy—cleanses it from all Scurf and Dandruff, and imparts to it a d-lightful perfume. The Ludies universally pronounce it the finest and most agreeable article ever used. Sold by all dealers, everywhere, for 25 cents per bottle.

25 THE GREATEST DISCOVERY OF THE AGE. 622. PROFESSOR WOOD'S HAIR RESTORATIVE.—This preparation, although less than two years before the public, owing to its wonderful affects upon the human hair and goalp, has already obtained a celebrity and sale perfectly unparallelled. It has without the ordinary appliance used for such purposes, won its way, and been heartily welcomed to most of the cities and towns in the United States the Canadas, and the West India Islands. Nor is this result surprising, when it is remembered that its popularity is based upon its merits, solely as established by actual tests. That this preparation will actually RESTORE GRAY HAIR TO ITS NATUKAL COLOR, produce a luxuriant growth upon the heads of the bald, prevent the hair from falling off, and when used as a toilet article, produce a continual flow of the natural fluids, and thus render the hair soft, glossy and wavy, destroy diseases of the scalp, and expel dandruff, the certificates of distinguished gentlemen and ladies, in every part of the country who have tried it, and therefore speak what they know, most fully attest.

MILFORD, Worcester Co., Mass., Nov. 13th, 1855.

Pof. O. J. Wood—Dear Sir; I take pleasure in bearing voluntury testimony to the magic effects of your wonderful Hair Restorative. As far back as 1356 my hair commerced falling off, until the top of my scalp became bald and smooth as class and it has golass and it has gonine and its fall for greater moar were as a second of the scale many constants.

Prof. O. J. wood—Dear Sir; I take pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative. As far back as 1336 my hair commenced falling off, until the top of my scaip became bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used many celebrated preparations for its restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter sstonishment, I found after a few applications that my hair became firmly set and assumed a very glossy and beautiful appearance; and, by the time I had used a quart bottle full, my bald head was covered over with a young and vigrrous growth of hair, which is now from one to two inches in length, and growing very fast.

Yours truly, Henry Goodie, Something Worth Knownol—By using Professor Wood's Hair Restorative, gray Hair can be permanently restored to tsoriginal color. The subjoined cortificate was received from Johnson & Stone, Gardener, Me. and is but one of the many instances that are daily coming to our knowledge of its wonderful effects. It is no longer problematic, but a self-evident truth, as hundreds can testify.

Mr. H. Dyes—Dear Sir: I have used two bottles of Prof. Wood's Hair Restorative, and can truly say it is the great-est discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind. Yours, respectfully.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and I have no doubt, permanently so.

SIDNEY BRESSE,
Ex-Senator United States.

The Greatest Discovery of the Age—It seddom occurs, that we notice, under any circumstances, patent medicines, restorativet, or anything of the kind, for we have a preducted against m stof them. But candor compels us to invite attoution to the advertisement of Prof. Wood's Hair Restorative. We are too juvenile to require anything of the kind, but some instances of its use have come to our knowledge which almost assure us that it is a sovereign remedy against the hair becoming prematurely gray. It is not a "Hair Dye," but upon its application as directed, the effect is produced on the skin, which brings out the original mative colored bair, without stiffeness, and gives it a glossyand natural appearance. We have seen persons who have used it, and they are much pleased with it.—Missouri Republican.
