arm land has seen timed, and interstone within torstotted to 1/2 mile.

"Having used your Cathartic Pills in my practice, 1 certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, contiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pactoral as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

My wife was cured, two years since, of a severe and dangerous cough, by your Cherary Paccoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your Carnavar Prizz have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.
