DR. WAYLAN'S NEW DRUG STORE.—No. 60 North Queen street. The undersigned respectfully announces that he has opened his NEW DRUG STORE ESTABLISHMENT, with a very extensive and complete stock of Drugs, Medicines, Chemicals, Perfumery and Fancy Articles—all fresh and pure—which will be sold at the lowest market prices.

This stock embraces every article usually kept in a first class Drug Store, and neither labor nor expense has been spared in fitting up the establishment, to insure the preservation of the Drugs in the best condition, as well as to secure the convenience and comfort of the customers.

A complete assortment of materials used by the Dental Profession is also be had at the store of the subscriber.

An improved Soda, or Mineral Water Apparatus has been introduced, the fountains of which are made of Iron, with Porcelain lining on their interior surface, freeing them from all liability to taint the water with any metallic poison, which has heretofore been so great an objection to the copper fountains. Those who wish to enjoy these refreshing beverages can do so at this establishment without fear of being poisoned with deleterious matter. The entire establishment has been placed under the superintendence of a most competent and careful Druggist, who has had many years' of experience in the Drug and Prescription business, in first-class houses in Philadelphi and Cincinnati.

The undersigned feels confident that he is in every way prepared to give entire satisfaction to his customers, therefore a share of public patronage is solicited.

DENTAL CO-PARTNERSHIP.—THE undersigned having entered into co-partnership, are prepared to practice the various branches of OPERATIVE AND MECHANICAL DENTISTRY, at their office, in Kramph's Buildings, N. S. WELCHENS,
S. T. PRIGG.

I would respectfully announce to my friends, throughout the City and County of Lancaster, that I have this day taken into co-partnership, in my Dental practice, Dr. S. T. PRIGG, recently of Baltimore, Md., and who has, within the last three or four months, become a resident Dentist of this city. The gentlemanly and accommodating character of Dr. Prigg, his thorough and scientific knowledge of the various branches of the profession, his superior skill in all its most delicate manipulations, together with the high recommendations he brings with him from the Professors of the Baltimore College of Dental Science, will guarantee perfect satisfaction to all my former patrons and all others who may place themselves under our treatment. By this arrangement we will have greater facilities for a more *prompt attention* to all our patients, which the want of assistance has heretofore deprived me of the ability to bestow.

Persons partial to the manipulations and advice of the undersigned, and who may feel a delicacy in calling for his services at the Dental office, in the event of his not being present, will please call at his Drug Store, No. 27 North Queen street, in the National House Building.

NEW PROCESS IN DENTISTRY.—CHEOPASTIC PROCESS of mounting ARTIFICIAL TEETH, recently patented by Dr. BLANDY, formerly Professor in the Baltimore College of Dental Surgery, is certainly one of the greatest discoveries of the present age and destined to work a great change in Mechanical Dentistry.

The undersigned being the first in the State to introduce this process into practice, and which has been attended with great success, feels no hesitation in recommending it as superior to any other method of mounting Artificial Teeth heretofore known—the casting of the plates having great advantage over the common custom of "swaging." The same accuracy in fitting, perfect cleanliness, and durability cannot be obtained by any other process.

☞ The undersigned is alone authorized to dispose of office rights for the counties of Lancaster, Chester, Berks, Dauphin and York. JOHN WAYLAN, D. D. S.

AMERICAN SAFETY-PAPER MANUFACTURING COMPANY OF NEW YORK
CAPITAL, $500,000.
A. NICHOLAS, President. *OFFICE, 70 Wall St.*

A Perfect Security against all manner of Fraud or Counterfeiting on Paper—To Prevent Photographs and Anastatic Counterfeits, Erasures, Transfers or Alterations.

Having purchased the Patent for the exclusive right to manufacture and sell the new Chemical Paper in America, invented and patented in England by Henry Glynn, a celebrated chemist and officer in the British army, it is hardly necessary to say that the Paper is recommended by Mr. Kent, Assayer of the U. S. Mint, Mr. Lyman, of the New York Clearing House, and Meade Brothers, extensive and skilful photographers, 233 Broadway, N. Y. The latter say that no imitation can be made on a check or bank note printed on the Safety Paper. Below is our list of prices:

Bank Checks—35 cts. per lb.	
Bank Bills—$18 per 1000 sheets.	
Bills of Exchange—$23 for 1000 sheets.	
Promissory Notes—40 cts. per lb.	
Sight and Time Drafts—$25 for 1000 sheets.	
Insurance Policies—40 cts. per lb.	
Railroad Stocks and Bonds—40 cents per lb.	
Bank and State Stocks—40 cts. per lb.	
Bonds and Mortgages—40 cts. per lb.	
Wills and Deeds—40 cts. per lb.	

For wrapping Silks and other fine articles it is excellent, as it prevents moths. 40 cents per lb.

For Indentures and Agreements—40 cents per lb.

All State and County Records should always be printed or written on this Paper, as the chemicals inserted in the pulp not only prevent erasure or transfer, but make it lasting as time.

For Southern Climates it is excellent, and much superior to any other; as the moistness of the climate does not destroy it.—the properties inserted in the Pulp being preventative. In all the southern states, Cuba, the West Indies and the Central American States, no public records can be kept over 20 years, written on the ordinary paper, while the oils and other chemicals inserted in this Paper makes it indestructible by the ravages of time. It is also proof against moths, rats and other vermin, which feast on and destroy all other paper now in use.

The Company have now in operation Mills in Morris County, N. J., of about 300 horse power, and are able to fill all orders for Paper at the shortest notice.

All orders for the Paper must be addressed to A. NICHOLAS, President of the Company, No. 70 Wall Street.

IMPORTANT TO FARMERS.—Samuel KEELER'S Latest Improved

GRAIN FAN!

These Fans are manufactured at the best and most extensive establishment in the city or county of Lancaster; and being the Latest Improved Grain Fans now before the public, farmers and dealers generally will consult their own interests by calling and examining them before purchasing elsewhere. They are now sent to all parts of Pennsylvania and other States. These Fans are so constructed as to *separate all the impure grains*, such as cheat, cockle, smut, &c., at the same operation. They will also be made to order, to separate Grass Seeds from Wheat.—When such are desired the order must be sent in time.

I have also manufactured the celebrated Bamborough Fan for many years, and I claim the improvements made upon my Fan as being far superior to them. They are considered

THE BEST NOW IN USE!

by all Farmers who have given them a trial, and who continue using them. I have had an extensive experience in the manufacture of Grain Fans, having made about 2,000 since I have been in the business. These fans are adapted to hand or horse power, or any other power that may be applied to them; and they will be sent, free of charge, to any distance within 300 miles, by railroad or water, at the shortest notice.

☞ Castings of all kinds for Wind Mills always on hand; also, Screen and Wire of all Nos., for sale at the lowest prices.

Be careful if you want a Fan of my manufacture, to see that my name is on it. S. KEELER, Lancaster, Pa.

☞ $5,000 Reward! ☜

I will give a reward of $5,000 to any set of men who can prove to my satisfaction that these Fans are not the best now in use. They have received the premium at the Agricultural Fair held at Columbia, Lancaster county, in 1854; at the New Jersey State Fair in 1855; at the State Fair held at Harrisburg, and at the Delaware County Fair.—Also, at the York County Fair, the undersigned received a premium for three splendid Fanning Mills on exhibition. At the Franklin County Fair, a premium was also awarded for his superior Grain Fans. He received two premiums at the Berks County Fair. At the Pittsburg Fair he received a first premium and a silver medal. At the Philadelphia Fair the highest prize was awarded Keeler's Fans, over twenty-five others on exhibition.

CIDER MILLS!

I have also valuable Cider Mills for sale, which are warranted to make from 6 to 8 bbls. of cider per day, and to produce more cider out of the same quantity of apples than any other Mill. They are made to run by hand or horse power. Also, for sale

HUNT'S PATENT GRAIN AND GRASS SOWER,

which will sow all kinds of Grain. I will warrant it to sow with more regularity than any other drill now in use, especially on rough or hilly farms.

☞ Please send your orders early if you desire a good machine, as the demand is daily increasing. Call and see these Drills before purchasing elsewhere.

HOVER'S LIQUID HAIR DYE.—This HAIR DYE needs only a trial to satisfy all of its perfection as a Dye, and the following testimonial from that eminent Analytic Chemist, Professor Booth, of the U. S. Mint, will only confirm what thousands have previously borne testimony to.

"LABORATORY FOR PRACTICAL CHEMISTRY,
ST. STEPHEN'S PLACE,
Philadelphia, February 17th, 1857.

"Being well acquainted with the substances composing Hover's Liquid Hair Dye, I am satisfied that by following the simple directions given for its use, it will not injure the Hair or Skin, but will give a *natural and durable color to the hair.* JAMES C. BOOTH, Analytic Chemist.

HOVER'S WRITING INKS, including Hover's Fluid, and Hover's Indelible Inks, are too well known and introduced to require any additional testimony of their character. The sales have been increasing since their first introduction, giving evidence that the articles truly possess that intrinsic merit claimed at first for them by the Manufacturer.

Orders addressed to the Manufactory, No. 416 RACE St. above FOURTH, (old No. 144,) Philadelphia, will receive prompt attention by
