CATHARTIC PILLS

PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

FOR COSTITENESS.—Take one or two Pills, or such quantity as to gently move the bowels.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPERIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthern, bodyburn, and soulburn of dyspepsis will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Bourels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity

at first, and smaller doses afterwards, until activity and strength is restored to the system. FOR NERVOUSNESS, SICK HEADACHE, NAUSBA,

FOR NERVOUNES, SICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCHOPULA, ERYSIPELAS, and all Diseases of the Skin, take the Pills frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

of the unclean diseases of the skin, because your system wants cleansing.

To Pumpy the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICH, and all Billous Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repented a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rhelmatism, Gout, and all Inflammatory Ferers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has ocen made more pleasant to take, and certainly none has ocen made more pleasant to take, and certainly none has ocen made more pleasant to take, and certainly none has ocen made more pleasant to take, and certainly none has ocen made more pleasant to take, and c and certainly none has ocen made more effectual the purpose for which a dinner pill is employed. The whole will be sold together, or in part, to suit purchasers.

The above property has lately been very much improved; within the last year 10,000 bushels of lime has been put on it, and 2 tons of guane.

This property will divide in equal parts, either by the creek or by the public road. The terms will be made accommodating to suit purchasers, as but little of the money will be required for several years, unless convenient to those who may choose to purchase. Any person with a small sum to pay in cash, can make the balance out of the timber and wood, as the Cattawissa Railroad furnishes a cash market for all the wood that can be delivered. All the products of the farm will in that place pay better than in the city of Lancaster, in consequence of the markets created by the iron and coal regions close by. After being cleared there will be 200 acres of good timothy meadow as can be found in the State. It will then be a first-rate round in the State. It will then be a first-rate round into a times from Lewisehurg, and ten miles from Danville. This tract contains about 5 Acres of Timber, and the balance is well suited for raising grain and bay, and has all been limed within the last two years. The improvements are a good TWO-STO: Y HOUSE, in good condition, and a tolerable Log Barn, which with some improvement will be sufficient for the farm. There is also on it a good APPLE critchARD, and other Fruit Trees. This property is within three miles of the Sunbury and Eric railroad, and two miles of the Catawissa railroad. It is in a good neighborhood, and good markets, and convenient to the public schools.

Any person in Lancaster county desirous of purchasting, will please call on Mr. William Carpenter, who will furnish all necessary information or on the subscriber, near Milton, Northumberland county, Pa.

Terms will be made very accommodating.

JAMES CAMERON.
