THE DENTAL CONTROVERSY.—We have inserted a third card from Dr. Waylan, as an advertisement, in relation to the dental controversy between himself and Drs. Wolchens & Prigg.

SPECIES FROM MEXICO.—It is supposed that Mexico will send to this country largely increased supplies of silver coin.

RECEIPTS OF THE PENNSYLVANIA RAILROAD.—Considering the depressed state of business of all kinds, the Pennsylvania Railroad is doing very well, as will be seen by the following statement for the month of October of the present year:

Table with 2 columns: Receipts for the month ending, and Balance on hand. Rows include 1857, 1856, and 1855.

ON EACH OF THE GREAT NEW YORK RAILROADS, the Erie and Central, there has been a decrease in the October receipts, of about \$100,000, and a very heavy decrease, of about \$1,000,000, as it has progressed.

PENNSYLVANIA BANK.—Upon the application made by the Philadelphia Bank, the Governor of the State has appointed Hon. John P. Hale, of Centre; Hon. Eli Slicer, of Union, and Jacob Bomberger, Esq., of Dauphin, Commissioners, to examine into the condition of the Pennsylvania Bank, under the provisions of the law adopted at the recent session of Legislature.

APPOINTMENT IN THE SCHOOL DEPARTMENT.—George W. Crab, Esq., of Harrisburg, has been appointed a Clerk in the office of the State Superintendent of Common Schools, in place of Capt. J. M. Eyster, recently elected Sheriff of Dauphin county, resigned.

ANOTHER BRIGHT EXAMPLE.—Hon. John H. Reagan, who was recently elected a Representative to Congress from Texas, went to that State eighteen years ago, a poor, friendless stranger, wearing buckskin breeches and a hickory shirt.

THE MARYLAND ELECTION.—The Democrats of Maryland did very well at the late election, and deserve a little credit for what they accomplished under the adverse circumstances by which they were surrounded.

THE EXAMINATION OF BANKS.—The examination into the affairs of the Island City Bank, N. Y., is closed. Its circulation amounted to \$1,000,000. Assets \$1,500,000. LIABILITIES AND FIVE INK-SLANDS.—Its capital was \$300,000. Loans \$375,000. Deposits \$1,000,000.

THE WISCONSIN DEMOCRACY.—The Albany Argus makes the majority for the Democratic State ticket, 13,287. It gives the Black Republicans 15 members of the Senate, to 14 Democrats, two Americans and one Independent; the House of Representatives will be composed of 61 Democrats, 58 Black Republicans and 9 Americans.

FROM THE FAR WEST.—We have intelligence from Fort Laramie to the 22d ult. Col. Johnston, the commander of the Utah military expedition, had reached some 230 miles beyond that point.

DELEGATES FROM THE TERRITORIES.—Minnesota—W. Johnson, Joseph May, New Mexico—M. A. Gore, Utah—J. M. Bernhart, Washington—T. Stevens, Kansas—J. J. Purritt, Nebraska—J. F. Johnson.

THE ALBANY ARGUS.—The Albany Argus makes the majority for the Democratic State ticket, 13,287. Important Foreign News.

The steamer Arabia, from Liverpool, with dates to the 31st ultimo, arrived at New York on Friday morning.

The British troops assaulted the City of Delhi (the head quarters of the insurrection) on the 14th of September, and effected a lodgement, and after six days obstinate resistance had on the 20th obtained possession of the entire city.

The Borough Bank of Liverpool had suspended. The liabilities are estimated at a million and a half sterling, but were fully secured.

The American horses, Priores and Babyton, have both been badly beaten in the race for the Cambridgehire stakes.

The markets for Breadstuffs at Liverpool are dull, and all qualities had considerably declined. Flour is very dull, and quotations nominal at a decline of 2s. and 3s.

The money market has been woefully depressed all will certainly acknowledge. Yet the imports of specie into the port of New York alone, during the month of October has been upwards of \$7,000,000 above the exports.

It is confidently believed in business circles that the financial crisis has passed.

There are a few days some nervous people were excited because the Pacific sailed carrying out \$220,000, and the Baltic went with \$600,000. If these latter sums be deducted from the former, we have still a clear balance in our favor of imported gold of \$1,674,000 within a week.

There are two features in the news of the Arabia which are peculiarly important.—These are the rise in English Consols and the storming of Delhi.

The truth is, that the fall of Delhi, and the junction of the two divisions of Gen. Outram and Havelock, and their advance to Lucknow, have given more confidence to the English money market, than could have been derived from any other cause or causes.

Setting the Books.—The next House of Representatives will be organized on the 3d of December. Elections for members of the House of Representatives of the next Congress have now been held in all the States of the Union, with the following result:

Table with 3 columns: State, Dem., Rep., Total. Lists states from Maine to Louisiana.

The House of Representatives consists of 234 members—118 members constituting a majority. It will be seen from the above table that the Democrats have a clear majority of 22 over the combined vote of the Black Republicans and Know Nothings.
