NEW PROCESS IN DENTISTRY.—CHEOPASTIC PROCESS of mounting ARTIFICIAL TEETH,

recently patented by Dr. BLANDY, formerly Professor in the Baltimore College of Dental Surgery, is certainly one of the greatest discoveries of the present age and destined to work a great change in Mechanical Dentistry.

The undersigned being the first in the State to introduce this process into practice, and which has been attended with great success, feels no hesitation in recommending it as superior to any other method of mounting Artificial Teeth heretofore known—the casting of the plates having great advantage over the common custom of "swaging." The same accuracy in fitting, perfect cleanliness, and durability cannot be obtained by any other process.

Having been for the last eight years, engaged in the study and practice of Dentistry, five years of which time was spent under the instruction and in the employ of Dr. Waylan, of this city, will, he thinks, be a sufficient guarantee of his ability to perform all operations connected with the practice of his profession, in such a manner, as will render entire satisfaction to all who may favor him with a call.

DENTAL CO-PARTNERSHIP.—THE undersigned having entered into co-partnership, are prepared to practice the various branches of OPERATIVE AND MECHANICAL DENTISTRY, at their office, in Kramph's Buildings, N. E. corner of North Queen and Orange streets, where they would be pleased to wait upon their friends and the public generally, assuring them that all operations in trusted to their care will be performed in the most complete manner. S. WELCHENS,
S. T. PRIGG.

I would respectfully announce to my friends, throughout the City and County of Lancaster, that I have this day taken into co-partnership, in my Dental practice, Dr. S. T. PRIGG, recently of Baltimore, Md., and who has, within the last three or four months, become a resident Dentist of this city. The gentlemanly and accommodating character of Dr. Prigg, his thorough and scientific knowledge of the various branches of the profession, his superior skill in all its most delicate manipulations, together with the high recommendations he brings with him from the Professors of the Baltimore College of Dental Science, will guarantee perfect satisfaction to all my former patrons and all others who may place themselves under our treatment. By this arrangement we will have greater facilities for a more *prompt attention* to all our patients, which the want of assistance has heretofore deprived me of the ability to bestow.

Persons partial to the manipulations and advice of the undersigned, and who may feel a delicacy in calling for his services at the Dental office, in the event of his not being present, will please call at his Drug Store, No. 27 North Queen street, in the National House Building.

DR. WAYLAN'S NEW DRUG STORE.—No. 60 North Queen street. The undersigned respectfully announces that he has opened his NEW DRUG STORE ESTABLISHMENT, with a very extensive and complete stock of Drugs, Medicines, Chemicals, Perfumery and Fancy Articles—all fresh and pure—which will be sold at the lowest market prices.

This stock embraces every article usually kept in a first class Drug Store, and neither labor nor expense has been spared in fitting up the establishment, to insure the preservation of the drugs in the best condition, as well as to secure the convenience and comfort of the customers.

A complete assortment of materials used by the Dental Profession can also be had at the store of the subscriber.

An improved Soda, or Mineral Water Apparatus has been introduced, the fountains of which are made of Iron, with pipes leading out through the counter, preventing them from all liability to taint the water with any metalic poison, which has heretofore been so great an objection to the copper fountains. Those who wish to enjoy these refreshing beverages can do so at this establishment without fear of being poisoned with deleterious matter. The entire establishment has been placed under the superintendence of a most competent and careful Druggist, who has had many years' of experience in the Drug and Prescription business, in first class houses in Philadelphi and Cincinnati.

The undersigned feels confident that he is in every way prepared to give entire satisfaction to his customers, therefore a share of public patronage is solicited.

NEW CITY MAP.—SPLENDIDLY ILLUSTRATED WITH LARGE COLORED MAPS.—The subscriber being about to publish a beautifully Illustrated Map of the city of Lancaster, respectfully solicits the patronage of the citizens to the new enterprise.

The Map will be very minute in its details, being a complete plot of the city with all the new and contemplated streets and alleys, and all the original town lots, numbered as recorded, together with a ground plan of all the buildings as they stand on their respective lots; the Schools, Colleges, with all Churches, Hotels, Stores, Manufacturing Establishments and all the offices of professional men in the city, distinctly named and colored, and the names of all the subscribers duly inserted on the margin, making it not only a complete map of the city, but also a business directory; and, in connection with all this, there will be from fifteen to twenty-five original views of Residences, Churches, Colleges, and Manufacturing Establishments in the city and vicinity beautifully colored, the natural color, as I make all my own sketches and color them on the spot, and have them lithographed in the highest style of the art. Samples of which can be shown that were published in West Chester and Chester county, which have never been equalled by any views published on any map in the United States. Having had considerable experience in map publishing, and having devoted a great deal of time to the art of perspective drawing, I flatter myself that I am able to produce beautiful life-like pictures that cannot be excelled, and in fact defy all competition in this style of Map publishing. All persons wishing views published on the city map, or having property they wish plated in, will please leave orders at J. Franklin Reizart's office, Fulton Building, which will be promptly attended to by the subscriber. THOMAS J. KENNEDY.

DR. W. H. WITMOR, OF THE CITY OF PHILADELPHIA,

Where he has been in successful practice for a number of years, received his education at the best Medical College in the United States, and had the experience and practice in the different Hospitals for several years; a member of the Analytical Medical Institute of New York, and late Medical Surgeon of the U. S. Navy, now offers himself to the public to attend any professional calls.

The purest medicines always on hand direct from the best Laboratories of our country, and the Botanical Gardens of the world. No patent medicines prescribed or recommended. Medicines used only which will not break down the constitution, but will renovate the system from all injuries it has sustained from mineral medicines.—Chronic and difficult diseases must be treated upon analytical principles; which is to know and ascertain what disease is. Its nature and character require a knowledge of the chemical constituent of every solid and fluid of the human body—the changes those solids and fluids are capable of undergoing. To know what medicines to employ to cure diseases, requires a knowledge of the chemical constituents of all agents employed in medicines, and if we are in possession of this knowledge, it is possible to cure any disease—no matter of how long standing—and leave the patient in a healthy and perfectly cured condition!

DYSPEPSIA, that distressing disease and fell destroyer of health and happiness, undermining the constitution, and yearly carrying thousands to untimely graves, can most emphatically be cured.

RHEUMATISM, in any form or condition, chronic or acute, warranted curable; Epilepsy, or falling sickness, all chronic and stubborn cases of Female Diseases radically removed; Salt Rheum, and every description of ulcerations; Piles and Scrofulous Diseases, which have baffled all previous medical skill, can be cured by my treatment, when the constitution is not exhausted.

I do say all diseases, (yes, CONSUMPTION) can be cured.

CANCER CURED WITHOUT THE KNIFE.

I will remain in my office on Wednesdays and Saturdays, from 9 o'clock, A. M. to 3 P. M., to accommodate patients from a distance, and consult in the English and German languages; will make visits to any distance if required; may be addressed by letter, Fulton Square, Lancaster city, Pa. HOVER'S LIQUID HAIR DYE.—This HAIR DYE needs only a trial to satisfy all of its perfection as a Dye, and the following testimonial from that eminent Analytic Chemist, Professor Booth, of the U. S. Mint, will only confirm what thousands have previously borne testimony to.

Philadelphia, February 17th, 1857.

"Being well acquainted with the substances composing Hover's Liquid Hair Dye, I am satisfied that by following the simple directions given for its use, it will not injure the Hair or Skin, but will give a *natural and durable color to the hair.* JAMES C. BOOTH, Analytic Chemist.

HOVER'S WRITING INKS, including Hover's Fluid, and Hover's Indelible Inks, are too well known and introduced to require any additional testimony of their character. "The glory of a young man
Is his strength."
(*From the Sunday Dispatch, New York, Aug. 2d,* 1857.)

His preparations, the "Regenerator" and "Nervine" are now considered the sole and only effectual remedies extant for the complaints referred to.

Dr. Culverwell's Seminal Regenerator and Royal Nervine, the sovereigh Remedies for Seminal Weakness, Sexual Debility, Impotency, Involuntary Emissions, Piles, &c., are for sale by most of the leading Druggists in the country.

Dr. C.'s Pamphlet, as above, containing full advices for the cure of Spermatorrhea, &c., can be had, in a secure envelope, by enclosing a stamp to Dr. CHAS. J. C. KLINE, 1st Avenue, corner 19th Street, NEW YORK, POST BOX No. 4586. sep 22 3m 36
