A great deal of this emigra tion is destined to the back and frontier counties of Mis. souri, where land is rich in soil, and much cheaper than in any other of the Western States. Good unimproved lands can be had at from \$2, to \$2 50 and \$5 per acre, according to location and distance from market. There is considerable "graduation" land in the market at 121/2, 25, 50, 75c and \$1 per acre, but it is a considerable distance from the rivers and railroads, and all of which is rapidly being entered. VIRGINIA FARM FOR SALE—GREAT
VINDUCEMENT FOR CAPITALISTS.—Will be sold at private sale, the valuable Farm known as the "Wheatland Estate," containing B 10 ACRES, situate in what is called the Hickory Level, Buckingham county, Va., 5 miles north of Mayaville, the county seat, and 7 miles from Hardwicksville—a bridge crossing the James river to the canal at this point. About 600 acres are cleared, and almost level land—the balance well timbered. The land is very productive, and celebrated for the growth of Wheat, Corn and Tobacco. It is also well watered. The improvements are a new, handsome and convenient DWELLING HOUSE, so situated on an elevation as to command a view of nearly the whole estate—and the Barn and Out Houses are ample and conveniently located. There are good Orchards on the premises of Apple, Peach, Cherry and other trees.—It is seldom that such an estate is offered, laying as it does in an intelligent and healthy neighborhood, convenient to markets, churches, &c., and so highly productive, and level in every portion as that all the implements of husbandry can be used to the very best advantage. If I sell, my object is to remove to a warmer climitse. A large portion of the land cost me \$10 per acre—but I will sell it, with the crop of Wheat from the sowing of 150 bushels, the entire stock, and 18 likely negroes, for \$40,000; or without the negroes, for \$25,000. My object for wishing to dispose of the slaves with the land, is to prevent the separation of families.

TERMS—One third Cash, (or in two or three months,) and the balance in equal instainents of one, two and three years, with interest.

Address the editor of the Lancaster Intelligencer, (GEO. SAN DERSON) Agent for R. L. Patterson, Mt. Vince, Buckincham county, Va.

CIRCULAR. The true spirit of PHILANTHROPY teaches us to study the pains and ills of suffering humanity and attend to their daily wants.

In this benighted age of monetary affairs, there is nothing that salutes us more frequently than the cry of "Hard Times." "What shall I do to make money?"

It is a true axiom in domestic economy, that "a penny sared is a penny carned," and if we can demonstrate this practically to the community, we certainly claim to be, not only Philanthropic, but the instrument for the distribution of the great Panaces, that we have discovered in the princidle of MUTUAL PROFITS.

We have rive I housen't Dollars, in useful arricas, but we will distribute, in value from Twenty five Cints to Fifty Dollars, to each person presenting our certificate, duly numbered, every Friday.

In every dollar you expend you have a direct interest in the profit.

Every time you buy ONE DOLLAR'S worth of goods, you become a stockholder, and entitled by virtue of a certificate, to a share of the profits in goods. Every time you buy Ork. Dollars workin of goods, you become a stockholder, and entitled by virtue of a certificate, to s share of the profits in goods. Each person purchasing from us, goods to the value of One Dollar, and paying cash, will receive a ticket; when they receive three tickets, they can have them exchanged for a certificate which will entitle the holder to a share in the profit in floops.
