Mr. Caleb Pierce. Dear Sir: I would say to the Farmers that I have purchased an Allen's Mowing Machine, and think it excels any other ma chine in use, and does the work one third easier for the team. I also purchased the New York Reaping Machine, the same season and like it well, I think it is one of the greatest improvements of the age.

better pleased with it the more I used it. I was surprised that it required no more power, (my grass was
unusually heavy.) my two horses did not worry at all.
I would advise my fellow farmers if they want a perfect
Mower, to take Allen's Machine.

McCormick's Reaper and Mower of 1858.

Is again offered to the farmers of the United States, and warranted to be the best Machine in use. For 5 years past I have avoided attending the various State and County Fatrs for the purpose of seeking Premiums, regarding my Machine as too well known to need that sort of commendation. This is to certify that 1 have purchased one of McCormick's Reapers and Mowers, from John B. Erb, in the season of 1877, and it worked first-rate, both in cutting Grass and Grain, and I have not seen any other yet that I like better than the one I have, and I would not part with my Reaper for double the price what it cost, providing I could not get one of the same kind. I cut 8 acres of heavy Grass, in a half day and 12 acres heavy Grain in three fourths of a day. Signed

Its construction is simple and it is easily kept in repair; we, therefore, take Pleasure in strongly recommending it to the farmers of our country, who desire a Mower and Resper combined in one Machine, as the very best that can be obtained. Respectfully Yours. very best that can be obtained. Respectfully Yours, SAMUEL HESS, HENLY HESS, JOHN SENER, BENJ. SNAVELY.

THE GREATEST DISCOVERY OF THE AGE.

THE GREATEST MEDICAL DISCOV-ERY OF THE AGE.—Dr. KENNEDT, of Rozbury, has discovered, in one of our common pasture weeds, a remedy EVERY KIND OF HUMOR.

from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and nover failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of Pimples on the face.

Two to three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker the mouth or stomach. the mouth or stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

cases of ringworm.
Two to three bottles are warranted to cure the most desperate case of rh-umatism.
Three to four bottles are warranted to cure the sal rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and
a perfect cure is warranted when the above quantity is a perfect cure is warranted when the above quantity is taken.

Resider, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
So sure as water will extinguish fire, so sure will this cure humor. I never sold a bettle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1845—se out, that it should cure all kinds of humor. In order to, jive some idea or the sudden rise, and zreat pombrity of the disc every, I will state that in April, 1853, I sold over one thou sand bottles per day of it.

Some of the wholesake Druggists who have been in the brands of patent medicines, was ever like it. There is a universal proise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wenderful virtues have been found in it that I never sussected.

Several cases of epileptic fits—a discuss which was always considered incurable, have been curred by a few bottles,—to, what a morey if it prove effectual in all cases of that a write madaly—there are but few who have seen more of it as that have.

I know of several cases of Dropsy, all of them aged peo-
