Fromers and Dealers generally will consult their now interests by calling and examining them before purchasing elsewhere. They are now sent to all parts of Pennsylvania and other States.—These Fans are so constructed as to exparate all the impute grains, such as cheart cockle, smat, &c, at the same eneration. They will also be made to order to separate Grass Seeds from Wheat. When such are desired the orders must be sent in time.

I have also manufactured the celebrated BAMBOR-UGH FAN for many years, and I claim the improvements made upon my Fan as being far superior to them. They are considered the BEST NOW IN USE by all Farmers, who have given them a trial and who continue using them. I have had much experience in the manufacture of Grain Fans, having made more than 3.00 since I have been in the busines. These Fans are adapted to hand or horse power, or any other power that may be applied to them, and they will be sent free of charge to any distance within 300 miles, by r-ilroad or water at the sho test notice.
