ATENT AMBROTYPES.--The subscribers having purchased the exclusive right of Lancaster city, are enabled to offer to the public a new style of Pictures, far exceeding, in beauty and durability, any ever before made. These pictures are not reversed, as daruerreotypes aread may be seen in anylight. They also possess the rare property of being inventishance, being hermetically sealed between glass plates, which is secured by Letters Patent, in the United States, Great Britain and France, and practised in Lancaster city by T. & W. CUMMINGS, only, over Sprecher & Bro.'s New Store, North Queen st., Lancaster.

EXPLANATION.

The term AMBROTYPE, by which these Pictures are designated; is derived from the Greek word Ambrados, spenifying indestructibility, permanency, &c. The Picture is taken upon plate glass, to which another plate of corresponding size is secured with an indestructible cement, by by which the picture will retain its original brilliancy for ages; it will not corrode by acids, nor be injured by water or climate. It is bold in its effect beautiful in tone, surpasses any thing in the gradations of light and shade, and may be seen in any light. The public are cautioned against imitations made on single plates of glass, with the Slack varnish in immediate contact with the Picture—buch are not permanent, as the varnish must crack and destroy the Picture.

AMBROTYPE STERESCOPES MUST BE SEEN, to be appreciated—the relieve being fully as perfect as life. Citizens and Strangers are invited to call at the Ambrotype Gallery of the undersigned, and examine specimens before they procure Pictures elsewhere, as they are assured of polite attention.

DR. H. ENWOOD, SR, bers leave to call the attention o those suffering under a partial or total loss of the sense of hearing to the following facts: Ille treats diseases of the mid die and internal ear with medicated douches, such as is practised in the Infirmaries of Berlin, Lepisic, Brusse s, Hamburg and Petersburg, and lately by the most distinguished London surists, with the most wonderful success; indeed, it is the only method that has been universally successful.

by 300 Beautiful Rargawings.
The design of this book is to bring whole libraries into a single volume—to furnish a mental meal for every day and every hour—for every taste, humor age, caprico—a book for the grave and gay, the old and young; we have, therefore, Science and Philosophy, Rhyme and Reason, Wit and Wisdom, Fact and Fancy, which, put together as they one, produce a sort of intellectual plum pudding, inaminch as the whole is peppered and spiced with puns, consumers, and drolleries, to easy nothing of a garnish of three hundred engravings.

In these pages are given the essence of thought and sentiment from Guethe, Sidney Smith, Sam. Johnson, and the Widow Beotit, of the Smith Farth, Sam. Johnson, and the Sidney Smith, Sam. Johnson, and the Widow Beotit, of the Smith Farth, Sam. Johnson, and the Widow Beotit, Sam. Johnson, and the Smith Farth, Sam. Johnson, and the Widow out of a class of fourteen, I succeeded in restoring four to acute hearing.

Dr. E. bege explicitly to state that in those cases be untakes, he guarantees a successful result—complete restoration of the sense, or such a marked improvement as will be perfectly satisfactory, if his remedies are fathfully applied and directions athered to; applicants will please state their age, duration of the disease, if matter issues from the external passages, if there are noises in the ears, state of general health, and what they suppose to have been the cause of the desfiness. When the hearing is restored, it is expected that those in easy circumstances will contribute liberally.

ALL DISEASES OF THE EYE successfully treated by the application of MEDICATED VAPORS, & ; an intallibe and palitiess treatment for diseases of the ETE, sente or chronic—Cataract, Specks, Infishmanton, Film and Weakness of Vision, Granulation of the Lids, Ulceration of the Lachrymal Glards, &c. THE GREATEST MEDICAL DISCOV-LEGY OF THE AGE - D. Kenney of footbury, by discovered, in one of our common posture weeds, a remedy that cures

EVERY KIND OF HUMOR, from the worst scrotific down to a common pinple. He has tried it in over 1100 cases and never failed except in two cases, (both thunder bumor.) He has now in his possession over two hundred certificates of its virtue, all

the Eyes.

Two bottles are warranted to care running of and blotches among the hair.

Four to six bottles are warranted to care c. ises of ringworm. Two to three bottles are warranted to cure the most de-

rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that a pear surprising; first, that it grows in our pastures, in some piaces quite plentifut, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day—in April, 1854, I sold over one thousand bottles per day—in the business twenty and thirty years, say that nothing in the usiness twenty and thirty years, say that nothing in th annals of patent medicines was ever like it. There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors —but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected. Several cases of epileptic fits—a disease which was always considered in-urable, have been curred by a few bottles.—), what a mercy if it prove effectual in all cases of that

awith mutany—there are our rew war and statement and them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, pain in the side. Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than ages multim ever known. No. 120 Warren st., Roxbury, Mass.
