From . Five to eight bottles will cure the worst case of screfula A benefit is always experienced from the first bottle, and a certect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the violative of Boston. I know the effect of it in every case.— So sure as watery-will exitinguish first, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always expects for itself. There are two things about this herb that opear surprising; first, that it provs in our pactures, in some proces quite plentiful, and yet its value has never been known until 1 discovered it in 1846—see onl, that it should cure all knobs of humor. In order to give some idea of the sudden tise, and great nopubrity of the discovery. I will state that in April, 1853, I peddied it and bottles proces when been in the business twenty and harity years, say that nothing in the smale of the whilese large gives whe take nothing the sumisers up the law and quarters. In my own practice I always kept it strictly for humors

In my own practice taiways kept it sitely or minions but sloce its introduction as a general tachly meletine, great and wonderful virtues have been found to it that I never suspected. Several cases of epileptic fits—a discuss which was always considered meurable, have been cured by a few bottles—

indeed, it is the only method that has been universally incoessful. The best proof of the eff-axy of this treatment will be a reference to nearly nine hundred names, resident of the United States, Canada. New Brunswick and Nora Brotta, who have been restored to acute heaving, and not a sincle solitary case, to our knowledge, did we fail to effect either a partial or total restoration of the heaving, when our advice and instructions were faithfully and punctually ad-hered to. Many who could not hear the report of a platid at arm's length, can now hear a watch beat at the distance of four feet. In cases of mucus were mulation in the Eusta-chian Tube and Tympsuum, inflammation of the mucu membrane, nervous affections, diseuse of the membrana tympani, called the "Drum." or when the disease can be traced to the effects of fevers, or colds, the use of quintee or mecurial medicines, gatherings in the ears in childhood, &c., this treatment stands prosument. When the audi-tory canal is dry and scaly, will little or to scretion, when the deafness is accompanied with noise in the ear-ing of leaves, continued pulsations, a discharge of matter; or when tooping. a sensation is foir as if a a rush of bicod to the head had taken place; when the hearing is less acuts in doll. cloudy weather, or when a cold has been la-ken, this method of trasting the disease is infailible. In desf and dumb cases, my exper ence warronts me in systing that if the hearing was good at any time, much can be accomplished. In the desf and dumb achieves in the early on the actes of fourteen. I succeeded in restoring four to acute hearing. Dr. E. bege explicitly to state that in those cases he un-takes, he guarantees a successful result-completo re-storation of the achieve or such a marked important is a will be perfectly satisfactory. If his reambles are folthfully applied and directions adhered to: appli ants will please state their age, duration of the disease. When the hearing is re-storation of the achieves of the twe suppose to have been t **NEW MAP OF LANCASTER COUNTY.** The undersigned is preparing to publish a new and complete MAP OF LANCASTER COUNTY, on an improved plao, (provided sufficient encourascement is given.) mark-ing the locations of all the principal buildings in the coun-ty, all Schools, Churches, Post Offices.
