THE GREATEST MEDICAL DISCOV-BRY OF THE AGE.—Dr. KENNLDY, of Voxbury, by discovered, in one of our common pasture we ds. a remedy that cures

EVERY KIND OF HUMOR, EVERY KIND OF HIMOR, from the worst Scrotha down to a common pimple. He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, al within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth One to three bottles will cure the worst kind of Pimples on the face.

One to three bottles will clear the worst kind of Pimples on the face.

Two to three bottles will clear the system of Bitles. Two bottles are warranted to cure the worst canker the mouth or stomach.

Three to five bottles are warranted to cure the worst case of Eryspelas.

One or two bottles are warranted to cure all homer in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the har.

Four to six bottles are warranted to cure corrupt and running ulcers. running ulcers.

One bottle will cure scaly eruption of the skip.

Two to three bottles are warranted to cure the cases of ringworm

Two to three bottles are warranted to cure the nest desperate case of rhounarism

Three to four bottles are warranted to cure the sal perate case of rh-unaxism

Three to four bottles are warranted to cure the sal rhoun.

Firs to eight bottles will cure the worst case of scrofula A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been knewn until I discovered it in 1846—second, that it shound cure all kinds of humor In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day—in April, 1854, I sold over one thousand bottles per day—in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles.—

O, what a mercy if it prove effectual in all cases of that awful maindy—there are but few who have seen more of it had have.

I know of several cases of Dropsy, all of them aged poo-

thau I have.

I know of several cases of Dropsy, all of them aged pople, cured by it. For the various discusses of the Liver, Sick Headache, Dyspepsia, Asthma, Fover and Ague, pain in the side, Discases of the Spine, and particularly in discases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and a nough of it.

Dractions for Use.—Adults one table spoonful per day—Children over ten years dessert spoonful. Children from five to eight years tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Maunfactured by

Nover's Liquid Hair Dye..-The testimony of Prof. Booth and Dr. Brinckie having previously been published, the following is now added:—From Prof. McCLOSKHy, formerly Professor of Theory and Practice of Medicine in the Female Medical College of Pennsylvania, and late Professor of Surgery in the American college of Medicine, &c.

Philadelphia, Nov. 27th, 185d.

Mr. Joseph E. Hover:—A trial of your LiQUID HAIR DYE will convine the most skeptical, that it is a sufe, edge and and efficacious preparation. Unlike many others, it has in soveral instances proved serviceable in the cure of some cutaneous eruptions on the head, and I have no head-tation in commending it to those requiring such an application.
