

DEMOCRATS OF LANCASTER CITY AND COUNTY! Let us have a parting word before the election. We verily believe that if every Democratic vote is polled in the county, our excellent ticket will be elected.

DEMOCRATIC STATE NOMINATIONS. JUDGE OF THE SUPREME COURT: WILLIAM A. PORTER, Philadelphia. CANAL COMMISSIONER: WESTLEY FROST, Fayette. DEMOCRATIC COUNTY TICKET.

And the Last Rally, at Fulton Hall, on MONDAY EVENING, at 7 o'clock. Once more to the rescue, Democrats!

DEMOCRATIC MEETINGS. This evening (Saturday) at FITZPATRICK'S HOTEL, South Queen street.

DEMOCRATIC HEAD-QUARTERS. The Democratic Head Quarters on the night of the election will be at DITLOW'S HOTEL, East King street.

THE FIRE BURNS BRIGHTLY. The Democratic meetings held throughout the county are largely attended, and the right spirit is abroad among the people.

LOOK OUT FOR THE "STICKERS". The following is a verbatim copy of a letter received a few days ago by a Democrat of Mount Joy.

ALL THE DECECY! The Black Republican meeting at Fulton Hall, on last evening, (Friday) was a rather slim gathering when we consider that the town was full of country people attending the Fair, and the extraordinary exertions made to get up a "monster mass meeting."

BEWARE OF SPURIOUS TICKETS! We caution our Democratic friends against spurious tickets, with which the County will be flooded on the day of the election.

DEMOCRACY—THE ONLY PARTY OF PRINCIPLE IN EXISTENCE—OLD LINE WHIGS—NOW CALLED UPON TO "CRUSH IT OUT" BY THOSE WHO DESTROYED THE OLD WHIG PARTY.

Mr. HOPKINS, the Democratic candidate for Congress, represents the National sentiment of the county, and, therefore, is deserving the support of every Democrat and every National Whig and American in our community.

Will THADDEUS STEVENS, or any of his pupils who are displaying their oratory through the county, dare to contradict any position we have here assumed, or charge that we have made?

THE COUNTY FAIR. We have only room to say that the County Fair, which commenced on Tuesday and will close this afternoon, (Saturday) was every thing that could have been desired, and must have been witnessed by more than twenty thousand persons.

LET US HAVE A PARTING WORD BEFORE THE ELECTION. We verily believe that if every Democratic vote is polled in the county, our excellent ticket will be elected.

DEMOCRATIC COUNTY TICKET. JAMES M. HOPKINS, Drumore. HENRY E. LEMAN, City. HENRY SHREINER, Manheim Twp. SAMUEL HOLL, East. JOHN H. BRENNEMAN, Mt. Joy Boro. County Commissioner. THOMAS W. HENDERSON, Salisbury. Prison Inspectors. JOHN SHELLEY, Rapho. JOHN REINHOLD, West Cocalico. Directors of the Poor. JOHN ROWE, East Lampeter. FREDERICK KREAMER, U. Leacock. Auditor. WILLIAM F. JENKINS, Fulton.

BEWARE OF TREACHERY! DEMOCRATS OF Lancaster beware of treachery to JAMES M. HOPKINS and the Democratic ticket. We have reason to suspect that men professing to be friends of our cause, will give out mongrel tickets, deceiving honest voters in the men of their choice.

EVERY VOTE COUNTS! DEMOCRATS! Remember that ONE VOTE may decide the election in this county, on Tuesday next. Hundreds of examples elsewhere might be given to show the fatal effect of one solitary vote remaining away from the polls on the day of election.

MINISTER TO SPAIN. Hon. WILLIAM PRESTON, of Kentucky, has been appointed by the President, Minister to Spain, and will shortly sail for Europe.

TO THE RESCUE! TO THE RESCUE! AND VOTE THE WHOLE DEMOCRATIC TICKET!

GO EARLY TO THE POLLS! Remember to go to the Polls early on the day of the Election, and remain there and work until the Polls shall have closed.

SEVEN O'CLOCK--THE POLLS CLOSE. The Polls will close at SEVEN O'CLOCK on the evening of the SECOND TUESDAY OF OCTOBER, and every voter who shall not have deposited his ballot in the box before that hour, will lose his vote this fall.

1. And the sound of trumpet, and the noise of many warriors was heard throughout the land, and there was more distress than all the dominions of King Thaddeus.

THE FOREIGN VOTE. The Republican leaders are boasting that they have bought over many of our Irish and German fellow citizens to vote for THADDEUS STEVENS.

ONE CAUSE OF HIGH TAXES! The people complain, and very justly too, of high taxes, both State and County. One cause, and the principal one, undoubtedly is the extravagance of our public men.

A FEW FACTS FOR TAX-PAYERS! Many years ago THADDEUS STEVENS left Vermont, the land of wooden nutmegs and Yankee notions, and pitched his tent in good old Pennsylvania.

THE GRAIN CROP OF EUROPE.—The Boston Journal this afternoon publishes the information respecting the European grain crop of 1858, as derived from latest English papers.

Amount, \$2,333,000. To this might be added THREE or FOUR MILLIONS more of the public money, recklessly squandered by the Rittner administration and by his Canal Commissioners.

Remember to go to the Polls early on the day of the Election, and remain there and work until the Polls shall have closed. Denote one day to the cause of your country, and suspend all other labor. Make the day a political Sabbath.
