During his residenc in Jefferson county he held the office of Justice of the Peace, Coroner, and Postmaster. In the conduct of these offices he gained the good will of all, on account of the strictly impartial and honest manner in which he dischar red his various duties.

On Saturday following-just three days later, his widow died-leaving four orphans. Squire Crowe was Post Master at the time of his death.

Squire Crowe's house was always our stopping plac when we went on a hunting expedition—an account of one of them you published some months since. We will greatly miss the Squire and his good lady when we pay that sec

tion our next visit. We have also to report the death of Col. M. W. Irwin, a native of Uniontown, Pa. He died at St. Paul, Minnesota, on the 23d ult. In 1852 Mr. Irwin was one of the Editors of a Benton Democratic paper in this sity. In 1853 President Pierce appointed him U.S. Marshal for the territory of Minnesota, and in the summer of that year he remove to St. Paul, where he resided up to the period of his death. There were 186 deaths from yellow fever at Vicksburg

Miss., during the past season.

The "Howard Association." of New Orleans, in closing their labors for the present season, report that 3,414 cases of vellow fever were treated for, of which number 771 died. and the wants of several hundred destitute persons wer relieved. The total amount expended by this Association alone, in the recent epidemic, was \$45,264,53.

Twenty five newspapers which have been published in Kansas, since its settlement in 1854, have gone to the "bone yard." But two papers now living in the territory, date back as far as 1857. Kansas has truly been a grave-yard

for newspapers. We see that the New York papers are making a great ado over the Hon. John J. Crittenden, of Kentucky-that a Committee from the Öld Line Whig Central Committee. waited upon him during his recent visit to that city to or the "Record," as all over and above its cost, will go to tender him the congratulations of the few old line whigs .--That they proposed to him the leadership of the Whig party if he would accept it-that they would run him for President in 1860, &c. This must have tickled Mr. Crittenden amazingly—he is too sharp a trickster to place his chances In the hands of such a distracted, long ago broken up party. Our Whig friends in New York have probably forgot that Mr. Crittenden is not none a Whig: they have certainly forgotten that Mr. Crittenden was the first. If not the very first of all our public men, to desert the old. Whig party and for the purpose, no doubt, of parsonal aggrandize unite himself with the Dark Lantern Order. After his political fortunes had been made by Henry Clay he was he first to desc.) the Whiz party-because he thought it too week for his aspiring ambilion. The idea of John J. Crittenden being the leader of the Whig party is ridien-lons-he is not as old line Whit-he left them long ago and became a ranting Know Nothing, and now finding that that party too has passed away, he unites his fortunes with the Abolitionists-a party Henry Clay always despised and denounced in no unmeasured terms. John J. Critten-den could not come within 50,000 votes of carrying. Kentucky—he knows i'—hen a his sudden disappearance from his old friends, whom he had deserted in the day of trial ;

he did not wish to hear anything about the old line whig We see a paragraph going the rounds that two of the Missouri Conversional data ration and Americana (Know Nothings) and elected by that party - This is a mistake, -The two alluded to are Meesre Anderson and Woodsonboth were formerly Americans but in the last Session of

Ara True Statement .-- Those afflicted with disease of the lungs and bronchial organs, will find a remedy of great power in that best of all medicines compounded by Dr. Geo. H. Keyser, of 140 Wood street, Pitts-burg, Pa., called "Pectoral Syrup." It reaches at once the seat of disease, and hundreds have been cured by it after every other remedy has failed. Most of what are called patent medicines, fail for want of proper adaptation of the ingredients, which do not reach the disease. This is not the case with Dr. Keyser's remedy, every bottle of which is compounded by himself, and with the intention to alleviate bad cases, and to cure mild cases. Numbers of our citizens can attest the truth of our statement in this re-spect. Price 50 cents and \$1 per bottle. Sold at his Drug Store, No. 140 Wood strest. Sold by C. A. HEINITSH, Lancaster, Pa.
