COATESTILL, July 29th, 1859.
Having been acquainted with James E. Giffin, Esq., since he has become proprietor of the Coatesville Seminary, I take pleasure in saying that I consider him very competent as a teacher, and very courteous as a gentleman, and most cheerfully recommend him, and the Institution over which he presides, as most benefiting to all persons having children for whom a thorough education is desired. My daughter is at present a student in the institution.

MB. GIFFIN—Dear Sir: It is now near the close of your second term of school in this place, and I febt very greatly gratified in seeing your prospects of making Coatesville Seminary second to none in the country. After becoming fully acquainted with your mild, but firm disciplines, and close attention to your pupils recitations, as manifested in the improvement of my son, I feel myself under obligations to recommend all my acquaintances and friends to send their sons and daughters to your school.

WM. H. THOMPSON.

Coatesville, July 29th, 1859.

I cheerfully commend to the public, and especially to my friends, the Seminary of James B. Giffin, located at this place, as being especially worthy of patronage. My son having been a pupil for the last term of this Institution, I can speak with confidence of the fidelity of the Principal as a teacher—his snavity of manner, yet firmness as a governer, and his entire gentlemanly deportment in all his relations.

Coatesville, July 29th, 1859.

MB. James Giffin—Siz: We most cordially recommend to public favor your most excellent School. One of the firm having had a son in your Institution, and the other a sister-in-law, we can speak with confidence in regard to the merits, and thorough instruction given in Coatesville Seminary.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, de-pression of vital energy, pale and otherwise sickly complexions indicate its necessity in al-most every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, com-plete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use. cheerful exercise, immediately follow is use. THE GREATEST MEDICAL DISCOV-ERY OF THE AGE—Dr. KENNEDT. of Roxbury, has discovered, in one of our common pasture weeds, a remedy discovered, in one of our common pasture weens, a constant enters EVERY KIND OF HUMOR, from the worst Scrofula down to a common pimple. Ho has tried it in over 1000 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two to three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure the sait neum. Five to eight bottles will cure the worst case of scrofula A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—

So sire as water will extinguish fire, so sure will this curo humor. I never sold a bottle of it, but that sold another; after a trial it slways speaks for itself. There are two things about this herb that appear surpressing; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1849—second, that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great popularity of the discovery, will state that in April, 1853, 1864, 180d over one thousand buttles per day—in April, 1864, 1810 dower one thousand buttles per day—in April, 1864, 1810 dower not be used to the sudden rise, and great popularity of the discovery, will state that in April, 1850, 1864, 1810 dower not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated buttles per day—in April, 1864, 180d over not beneated by the substless twenty and thirty years, asy that nothing in the animals of patent medicines was ever like it. The never-failing Mrs. VANHURN is the best; she succeeds when all others have failed. All who are in trouble—all who have been unfortunate, all, whose fond hopes have been disappointed, crashed and blasted by faiss promises and deceit.—all who have been deceived and trifled with,—all fly to her for advice and satisfaction,—all who are in doubts of the affections of those they love, consult her to relieve and satisfy their minds. In low affairs the never fails. She has the secret of winning the affections of the opposite sex. It is this fact which induces illiterate pretenders to try to imitate her. She shows you the likeness of your future wife, husband, or absent friend; she warrents and guarantees the single a happy marriage, and makes the married happy. Her sid and advice has been solicited in innumerable instances, and the result has always been the means of securing a speedy and happy marriage; she is therefore a sure dependence. She has been the means of bringing many hundred hearts and hands together. Thousands of broken hearts have been healed and made happy by her.

It is well known to the public at large that she was the first, and she is the only person who can show the likeness in reality, and who can give entire satisfaction on all the concerns of life, which can be tested and proved by thousands, both married and single, who daily and engerly visit her at
