Ayer's Sarsaparilla

A compound remedy, in which we have la-bored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found

compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROPULA AND SCROPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DIBRASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT REGUM, SCALD HEAD, SYPHILES AND SYPHILITIC AFFECTIONS, MERCURIAL DISRASE, DROPSY, NEURALIA OR TO DOULDUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION. ERVSIPPLAS. ROSE PEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF

THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the by an atterative medicine. Creams out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something

must go wrong, and the great machinery of life is disordered or overthrown. Sarsaparilla' has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been mis-

led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for of these have been frauds upon the sick, for they not only contain little, if any, Sarsapa-rilla, but often no curative properties whatev-er. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intend-ed to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on

TO THE AFFLICTED.

Having lately arrived in this country, from France, after having a long and successful practice in the Hospitals of Paris. Vienna and Ediaburgh, and having confined himself more especially to the radical cure, of the various private diseases which are so prevalent among the young and misguided, now offers his services to the public, made valuable by a long and continued experience, hoping that he will secomplish that object (a certain cure) which his noted reputation in Europe guarantees.

Dr. Vernet-having located himself in Roston, takes this method of giving his highly valuable medicines to the public. These medicines are entirely different from any now used by the physicians in this country; they do not restrict a patient in his daily business, nor in his diet, nor do the produce nauses, low spirits, or any of those inconveniences attending the medicines now in use.

Dr. Vernet-has also in his possession a Presentative, which he guarantees to be a safe and reliable remedy against all discusse inable to be contracted.

Person afflicted addressing HENRIL L VERNET, M. D. Boston, Mass., with a full statement of case, enclosing two red stamps, will receive a prompt reply, by return mail.
