That a compliance with the law in this respect is possible, when the prisoners number 160, as they did at numerous times during its past year, with but half that number of cells, needs no argument to disperse but half that number of cells, needs no argument to dispore. The regrants at all times make up more than half the number of all the innates, and when the Prison is crowded, in the winter, they comprise more than two thirds. The convicts are kept in separate cells as their sentences require, but the vegrants are necessarily crowded two, three, and sometimes four in a cell, thus, from necessity, entirely ignoring the isw as to that prented as convicts. 25 00 1 50 10 75 31 60 2.88 from necessity, entry, according to the feel, clothed and portion of them, who are directed to be feel, clothed and treated as coartics. And for these desirable results the Board are indebted to the intelligence, efficiency and fdelity with which Jay Cadwall, Keq. THE GREATEST MEDICAL DISCOV-ERY OF THE AGE.-Dr. KENNEDT, of Roxbury, has discovered, in one of our common pastnre weeds, a remedy

L EAT OF THE AGE.—D. KENED, of ROTHLY, has discovered, in one of our common pastner weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common pimple. He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth One to three bottles will clear the system of Biles. Two bottles are warranted to cure the worst casker in the mouth or stomach. Three to five bottles are warranted to cure the worst casker of Erysipeles.

perate case of rheumatism. Three to four bottles are warranted to cure the sait rheum. Five to eight bottles will cure the worst case of scrofula A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I pedieled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.— So sure as water will extinguish fire, so sure will this curo humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1845—second, that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great to poularity of the discovery, I will state that in April, 1853, I pedied it and sold about six bottles per day-in April, 1853, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors —but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected. Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles.

considered incurable, have been cured by a few bottles.-by what a mercy if it prove effectual in all cases of that awful malady--there are but few who have seen more of it an I hav

than I have. I know of several cases of Dropsy, all of them aged peo-ple, cared by it. For the various discusses of the Liver, Blek Headache, Dyspepsia, Asthma, Fever and Agna, pain in the side, Discases of the Spine, and particularly in diseases of the Kidneys, 4c., the discovery has done more good than any medicine ever known. No change of dist ever necessary—eat the best you get and e nough of it. Discornors ron Usz.—Adults one table spoonful per day —Children over ten years dessert spoonful.
