of Lagraster county, and find, a, balance, remaining in his hands of Two Hundred and ren Rollars and forty-six ceats, (\$20.40) on the first day of January, 1860.

We have also examined the account of Hugh S. Gara, Esq. Tressurer of the Board of Prison Inappectors, found it correct, and showing a balance due him by said Board of Fighteen dollars and twenty-one cents, (18.21) on the first day of January, 1860.

The liabilities of the County at the present lime for individual loans at five per cent, per annum, amount to \$128,285.75. Deducting the above amount in the hands of the Tressurer, (\$48,907.86) would show an indebtedness of \$79,468.19. The outstanding taxes amount to \$9.981.62.

In witness whereof we have bereauto ast our hands at the Commissioners' Office, this twentieth d y of January, 1880. ests require the change, or in case he desires to supersede

Ornamental Branches: While it is well and proper that Young Ladies and Gentlemen should be taught Music, Drawing, Painting, &c., it is at the same time highly culpable, to neglect for these Branches, the practical and useful studies, which determine the intellectual status of an individual. Thousands of Young Ladies learn a little French, a little Music, &c., being ignorant of the plainest principles of Grammar and Mathematics. Mn. James Giffin—Sir: We most cordially recommend to public favor your most excellent School. One of the firm having had a son in your Institution, and the other a sister-in-law, we can speak with confidence in regard to the merits, and thorough instruction given in Coatesville Seminary.

THOMAS S. YOUNG & CO. COATESVILLE, July 29th, 1859.

From my personal knowledge of Mr. Giffin, Principal of Coatesville Seminary, and his method of instruction, it gives me pleasure to be able to recommend to parents and guardians this institution as a place where their sons and daughters or wards will receive every attention which their consfort and thorough education may require.
