COATESVILLE, July 29th, 1859.

Having been acquainted with James E. Giffin. Esq., since he has become proprietor of the Coatesville Seminary, I take pleasure in saying that I consider him very competent as a teacher, and very courteous as a gentleman, and most cheerfully recommend him, and the Institution over which he presides, as most benefiting to all persons having children for whom a thorough education is desired. My daughter is at present a student in the institution.

COATESVILLE, July 29th, 1859.

MR. GIPFIN—Dear Sir: It is now near the close of your second term of school in this place, and I feel very greatly gratified in seeing your prospects of making Coatesville Seminary second to none in the country. After becoming fully acquainted with your mild, but firm discipline, and

tolly acquainted with your mind, out arm description, and close attention to your pupils' recitations, as manifested in the improvement of my son, I feel myself under obligations to recommend all my acquaintances and friends to send their sons and daughters to your school.

I cheerfully commend to the public and especially to my friends, the Seminary of James E. Giffin, located at this place, as being especially worthy of patronage. My son having been a pupil for the last term of this Institution. I can speak with confidence of the fidelity of the Principal as a teacher—his suavity of manner, yet firmness as a governer, and his entire gentlemanly deportment in all his relations.

COATESTILE, July 29th, 1859.

Mr. James Giffin—Sir. We most cordially recommend to public favor your most excellent School. One of the firm having had a son in your Institution, and the other a sister-in-law, we can speak with confidence in regard to the merits, and thorough instruction given in Coatestills Seminary.

COATESTILE, July 29th, 1859.

From my personal knowledge of Mr. Giffin, Principal of Coatestille Seminary, and his method of instruction, it gives me pleasure to be able to recommend to parents and guardians this institution as a place where their sons and daughters or wards will receive every attention which their coafort and thorough education may require.

COATESTILE, July 29th, 1859.

It gives me pleasure to add my testimony to the fact that we have in our midst a well-conducted and thorough Institution, under the control and supervision of James E. Giffin, Principal. Having had a son under his care for nearly two sessions, I can speak advisedly; and would recommend this flourishing Seminary to the consideration

I recommend James E. Giffin as in every way competent to discharge the duties of a maithful teacher, and know that the Institution is in a four-ishing condition. No parent can send his son or daughter to a better Institution.

I know the effect of it in every case.—So sure as water will extinguish fire, so sure will this cure humor. I never soid a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1840—second, that it should cure all kinds of humor, In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853. I peddled it and sold about six bottlee per day—in April, 1854, I sold over one thousand bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in that I never auspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles.—O, what a mercy fit prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them agod people, cured by it. IN PRESENTING YOU WITH DR.

EATON'S INFANTILE CORDIAL, we desire to state has heretofore olfered you.

First—it is the preparation of a regular physician, who is well qualified from much experience in lufantile complaints to prescribe for them. Secondly—it is entirely free from paregorice or opiate of any kind, and consequently relieves by removing the suffering of your child, instead of deadening its sensibilities. Thirdly—It is put up with great care, as a comparison of it with any other article for infantile complaints will show; the very roots from which it is distilled being dug from the forests under the direction of Dr. Eaton, many of them by his own hands.—Fourthly—it is perfectly harmless and cannot injure the most delicate infant, and is a certain cure and relief in all the following cases, which is its chief merit over every other preparation, viz:

FOR ALL COMPLAINTS ATTENDING TEETHING; such as DYSENTERY, COLIC, &c; also, for softening the guns and relieving pain. For regulating the bowels it is unequalled. For Cold in the Head it is a sure relief. For CROUP, the most fatal and trying of diseases, it can be relied on with perfect confidence; and being a powerful anti-spasmodie in all cases of convulsions or its, we earnestly recommend you to lose no time in procuring it.—Lastly—It costs so much more than other preparations of the kind, that we cannot afford such long advertisements as can those whose whole expense is their advertising; for the same reason, it commends itself as the most reliable to all mothers. In all cases, the directions wrapped around as chottle, must be strictly followed.

Price, 25 cents per bottle.
