

ST. LOUIS CORRESPONDENCE.  
The Charleston Convention... A party of twenty-seven persons mostly young females, were drowned a few days ago in a large mill pond near Sumter, S. Carolina.

CONTRARY TO EXPECTATION AND ALL PRECEDENT, the Democratic National Convention adjourned without making a nomination... The party is not, and the friends of the different aspirants are not, in a more excited and confused state than ever before.

FIRE AT HANNAH, MO.  
QUINCY, Mo., May 11.—A fire broke out at Hannah, Mo., this morning, and consumed two entire blocks of buildings on Market street. The loss amounted to about \$250,000.

FIRE AND LOSS OF LIFE.  
BOSTON, R. I., May 11.—The residence of John B. Watson, destroyed by fire to day, killing the little son, and several persons to death. The bodies of Mr. Horton and Lewis Waldron have been dug out of the ruins.

EXCESSIVE DROUGHT.  
BOSTON, May 11.—There is at present an excessive drought throughout New England, and the crops are suffering severely.

PHILADELPHIA MARKET.  
The Flour market is steady. There is some lightening of the heavy rain of the previous day and night.

LANCASTER WHOLESALE GRAIN MARKET.  
Corrected weekly by R. BROWN & CO., Forwarding and Commission Merchants, North Queen street.

PHILADELPHIA CATTLE MARKET.  
There was quite a large supply of Beef cattle last week, amounting to all the 20th of May.

NEW YORK CATTLE MARKET.  
From Illinois 1,076 head of cattle arrived last week, and from Missouri 250. The Beef Cattle Market may be said to be in a somewhat better position.

LANCASTER COUNTY AGRICULTURAL SOCIETY.  
The Lancaster County Agricultural Society, organized on the 10th of August, 1850, has decided to hold an exhibition of the products of the soil.

DEATH OF PETER PARLEY.  
The venerable S. G. Goodrich (Peter Parley) died suddenly on Wednesday at his residence in the city of New York.

PHIBIAS ALLEN, senior editor of the Philadelphia Mass., died on Monday, May 11, at the age of 84 years. He established the Mass. in 1800, and has been actively connected with it ever since.

ENORMOUS DEFALCATION.—The principal Cashier of the Union Bank of London, is discovered to be a defaulter in the sum of \$3,000,000. The offence was committed by means of a fraudulent pass book.

DR. J. H. CHRISTY, a young and promising physician of Pittsburgh, died on Sunday last, of the smallpox. He was a native of this city, and was residing in a boarding house.

MISS SALLIE HERBERT, the young lady figured in the Herbert tragedy, some eighteen years ago, died on Wednesday last, in New York city. She was married to Dr. J. H. Christy.

THE U. S. SENATE passed its own Home-Steal Bill, and rejected that of the House, on Thursday last.

MASONIC.—The Masonic Order in the U. States now numbers 4792 lodges and 195,170 members.

DEATH OF MR. CONNOR, THE AERONAUT.—A vast crowd assembled at the Palace Garden, Courtenay street, New York, on Thursday afternoon, to witness the ascent of Mr. Connor, a pupil of Prof. Wise.

SHOCKING BALLOON ACCIDENT.—The second venture, we regret to say, terminated disastrously to the balloon and fatally to Mr. Connor. The weather was exceedingly unfavorable, and violent gusts of wind were blowing, blowing the balloon about with great force while the process of inflation was proceeding.

EMERY'S PATENT FLOUNDER BY STEAM.—Emery's Patent Flounder, having been the subject of the working of the new steam plough of Mr. Waters, which has been in operation.

1860.  
MORRIS'S REAPER & MOWER 1860.  
I HAVE SOLD WITHIN THE LAST FIVE YEARS, OR THEREABOUTS, 4000 A YEA, BEING A LARGER NUMBER THAN IS MANUFACTURED BY ANY OTHER REAPER IN THE WORLD.

THE IMPROVED REAPER & MOWER 1860.  
It is a most important discovery, and will be found to be the most perfect and reliable of any that has ever been invented.

Scrofula, or King's Evil,  
is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and impure. It is a disease which pervades the whole body, and may burst into disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy.

It is a disease which pervades the whole body, and may burst into disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy.
