SETH W. FOWLE & CO. - Gentlemen : - I first made use of the Oxygenated Bitters some seven or

eight years since. Having suffered for twenty years

from a form of dyspensia, which was attended with a

nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending rec-ommendation of. Dr. Green, " to try one bottle, and if

no benefit was received to discontinue the use." The use of one bottle warranted a further trial, to the

extent of some three or four, with a careful observance

of the accompanying directions. The result was, an

almost entire relief from the usual dyspeptic symptoms

and their depressing, painful consequences.

I never sold a bottle of it, but that sold another; after a trial it always speaks for fitself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yst its value has never been known until I discovered it in 1846-second, that it should cure all kinds of humor, I peddled it and sold about six bottles per day-ia April, 1854, I sold over one thousand bottles per day of it.
