Reader, I peddied over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.— So sure as water will critinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentifur, and yet its value has never been known nutil I discovered, it in 1846-second, that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. I know of several cases of Dropsy, all of them aged peo-ple, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known. We call the attention of the reader to the follow letter from President Smith, of Wesleyan University MIDDLETOWN, Conn., Feb. 25, 1859. SETH W. FOWLE & Co. - Gentlemen : - I first made use of the Orygenated Bitters some seven or eight years since. Having suffered for twenty years

from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending rec-

ommendation of Dr. Green, "to try one bottle, and if to benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the oxtent of some three or four, with a careful observance

of the accompanying directions. The result was, an almost shifts relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of

mr.system, and upon the active energies of the digestive ans. I now deem myself as exempt from Dyspepsia most persons. These Bitters have also been of ser-

by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail ; but his confidence inspired me to per-
