Fine Arts. Fine Arts. Music-Vocal and Instrumental-Piano, Violin, &c. In the department of Languages, the classes are practised in oral and written exercises; and particular attention is given to the pronunciation of the Language the student may be acquiring. Ladies cau substitute Music for some other branches, if they desire it. The classes in Mensuration, Surveying, and Leveling, are practised in the use of the Quadrant, in Plotting, and in other instruments. Particular attention will be given to the analyzing of Milton's Paradise Lost, which is used as a Book of Para-ing exercises.

II. G. THOMAS. GATESVILE, July 29th, 1+59. MR. GIPFIN-Dear Sir: I Lis now near the close of your second term of school in this place, and I feel very greatly gratified in seeing your prospects of making Coatesville Seminary second to none in the country. After becoming fully acquainted with your mild, but firm discipline, and close attention to your pupils' recitations, as manifested in the improvement of my son, I feel myself under obliga-tions to recommend all my acquaintances and friends to send their sont and daughters to your school. Five to eight bottles will cure the worst case of scrofula A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I pediled over a thousand bottles of this in the widning of Boston. I know the effect of it in every case, So sure as water will extinguish fire, so eurs will finis cure humor. I never sold a bottle of it, but that sold another: after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite pleutiful and yet its value has never been known until I discovered it in 1844-second, that it should care all kinds of humor, In order to give some idea of the sudden rise, and great i poularity of the discovery, I will state that in April, 1853 I pediled it and sold abott six bottles per day of it. Some of the wholesale Druggists who have been in the business twenty and thirty years, asy that- nothing in the annals of patent medicines was over like it.
