THE GREATEST

DISCOVERY of the age.

THE GREATEST MEDICAL DISCOV-ERY OF THE AGE-D. KENNED, of Boxbury, has discovered, in one of our common pastnre weeds, a remedy that cures BYBEY KIND OF HUNOR, WEER KIND OF HUNOR,

EVERY KIND OF HUMOR, from the worst Scrothila down to a common pimple. He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.). He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth One to three bottles will cure the worst kind of Pimples on the face.

Une to intro wares at a system of Biles. Two to three bottles will clear the system of Biles. Two bottles are warranted to cure the worst canker in the mouth or stomach. Three to five bottles are warranted to cure the worst case of Eryspicels.

of Brystipelas. One or two bottles are warranted to cure all humor the Eyes. Two bottles are warranted to cure running of the cars and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcens.

Four to air vottices are warranted to cure corrupt and funning licers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst cases of ringworm. Two to three bottles are warranted to cure the most des-perate case of rheumatism. Three to four bottles are warranted to cure the salt

neum. Five to eight bottles will cure the worst case of scrofula' A benefit is always experienced from the first bottle, and perfect cure is warranted when the above quantity is aken.

a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.— So sure as water will estinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor, In order to give some ides of the suddan rise, and great popularity of the discovery. I will state that in April, 1853. I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day—in April, some of the wholesale Druggits who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever ilks it. There is a universal praise of it from all quartors. In my own practice I always kept it strictly for humors —but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

great and wonderint virtues have been toutin in to that a never auspected. Several cases of oplicytic fits—a discuss which was always considered incurable, have been cured by a few bottles... O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen more of it

awfal malady-there are but faw who have seen more of it than I have. I know of several cases of Dropsy, all of them aged peo-ple, cared by it. For the various diseases of the Liver, Sick Headache, Dyspepia, Asthma, Fever and Ague, pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known. No change of dist ever necessary-eat the best you get and anough of it. Discortors ron Usz.-Adults one table spoonful per day -Children over ten years dessert spoonful. Children from five to eight years to aspoontul. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Mauufactured by DUNALD KENNEDY,

thus circulating through the whole system, no part of the body can escape their truly wonder-ful influence. The experience of thousands daily proves that

no preparation of industria tainy pieves that compared with it. Impurities of the blood, de-pression of vital energy, pale and otherwise sickly complexions indicate its necessity in al-most every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its

effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy,

and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

As a grand stomachic and general restorative it has no superior and no substitute.
