DROF. L. MILLER'S HAIR INVIGORA-

PROF. L. MILLER'S HAIR INVIGORATOR.—An Effective, Safe and Economical Compound,
FOR RESTORING GRAY HAIR to its original color without dyeing, and prevening the Hair from uruning gray.
FOR PREVENTING BALDNESS, and curing it, when there
is the least particle of vitality of recuperative energy
remaining.
FOR REMOVING SCURF AND DANDRUFF, and all
cutaneous affections of the Scalp.
FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy, making it soft and silky
in its texture and causing it to curi readily.
The great celebrity and increasing demand for this preparation, convince the proprietor that one trial is only
necessary to satisfy a discerning public of its superior qualitics over any other preparation at present in use. It cleanes
the head and scalp from dandruff and other cutaneous
diseases. Causes the hair to grow inxuriantly, and gives
it a rich, soft, glossy, and flexible appearance, and also
where the hair is loosening and thinning, it will give
strength and vigor to the roots, and restore the growth to
those parts which have become bald, causing it to yield a
fresh covering of hair.
There are hundreds of ladies and gentlemen in New York
who have had their hair restored by the use of this Invigcrator, when all other preparations had failed. L. M. has
in his possession letters innumerable testifying to the
above facts, from persons of the highest respectability. It
will effectually provent the hair from turning gray until
the latest period of life; and in cases where the hair has
already changed its color, the use of the Invigorator will
with certainty restore it to its original hue, giving it a
dark, glossy appearance. As a perfume for the tolet and
a Hair Restorative it is particularly recommended, having
an agreeable fragrance; and the great facilities it affords
in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve
its place, whether plain or in curls—hence the great demand
for it by the ladies as a standar

As accidents will happen, even in well regulated families, it is very desirable to have some cheap and convenier way for repairing Furniture, Toys, Crockery, &c.

THE GREATEST MEDICAL DISCOV-ERY OF THE AGE.—Dr. KENNEDY, of Roxbury, has scovered, in one of our common pastnre weeds, a romedy

EVERY KIND OF HUMOR, EVERY KIND OF HUMOR, from the worst Scrofula down to a common pimple. He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth One to three bottles will cure the worst kind of Pimples

One to three bottles will clear the system of Biles.

Four to six bottles are warranted to cure corrupt and cases of ringworm.

A benefit is always experienced from the first buttle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor, In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of opileptic fits—a disease which was always considered incurable, have been cured by a few bottles.—O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged pso-

O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine over known.

THOUSANDS ARE DAILY SPEAKING in the praise of Dr. EATON'S INFANTILE COR-DIAL, and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains true. It contains
