This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Borhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. It is now offered to the American public, knowing that its truly conderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the dropping spirit, and, in fact, infusing new health and vigor in the system.

Aver's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, such that one which will accomplish their cure must brove of immense service to this large class of our afflicted fellow-citizens. How completely this compoind will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROPULA AND SCROPPLOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, FLORES,

of the following complaints:

Scropula and Scropulous Complaints;

Scropula and Scropulous Complaints;

Envitons and Engrive Diseases, Ulgers, Pedels, Blotches, Turons, Tair Research, Scald Head, Strends, And Strender, Argenting Argenting, Scald Head, Strender, Turons, Therender, Dreading, Controls, Mercurial Disease, Droffer, Neuraldia or The Doulourer, Debutive, Dreading or St. Angiony's Fire, and indeed the whole class of complaints arising from Infrarent or the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the hud. Multimides can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleans out the utilisted blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find its inspirites bursting through the skin in pimples, cruptions, or sores; cleanse it when you find its is obstructed and sluggish in the veins; cleanse it whenever it is foul; and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Somer or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to give a norther of the party because the drug alone has not all the virtue of Sars

contain but little of the virtue of Sarsagarilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsagarilla for one dollar. Most of these have been frauds upon the sigh, for they not only contain little, if any, Sarsagarilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsagarilla which flood the market, until the name itself is justly despised, and has become satasparina which nood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistile upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intend-ed to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO. LOWELL, MASS. Price, \$1 per Bottle; Six Bottles for \$5. Aver's Cherry Pectoral, has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

VALUABLE TESTIMONY From Rev. Jacob Sechler, well known and highly respected throughout the State of Pennsylvania.

HANOVER, PA., Feb. 16, 1859.

Messrs. S. W. Fowle & Co., Boston. — Dear Sirs. Having realized in my family important benefits from the use of your valuable preparation, — Wistar's Balsom of Wild Cherry, — it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a greating provenent in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, endlon the public against imposition, because there is a good deal of spurious Wistar's Balsom of Wild Cherry sheat throughout the country.

37 Beware of eils and worthless counterfeits! The only Grazine, Pure, and Medicinal Balsom, has the name of "IL BUITS" written with a pen, and the printed name of the proprietors, "S. W. FOWLE & Co.," on the outer wrapper.
