a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in overy case.— So sure as water will actinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846-second, that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853. I paddled it and sold about six bottles per day—in April, Bös4, I sold over one thousand bottles, per day of it. Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of platent medicines was ever like it. There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors —but since its introduction as a genoral family medicine, great and wonderful virtues have been found in it that I never suspected. Several cases of epileptic fits—a discase which was always considered incurable, have been cured by a few bottles.— O, what a mercy if it prove effectual in all cases of that an Haye... I have, of several cases of Dropsy, all of them aged peo-

than I have. I know of soveral cases of Dropsy, all of them aged pso-ple, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsin, Asthma, Fover and Agne, pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any mailting agas known.

of the Eidneys, &c., the discovery has done more good than any medicine ever known. Ne change of dist ever necessary—eat the best you get and enough of it. Discorross you Uss.—Adults one table spoonful per day —Children over ten years dessert spoonful. Children from fire to eight years te a spoonful. As no directions can be applicable to all constitutions, take smillciont to operate on the bowels twice a day. Mauufactured by DONALD KENNEDY, No. 120 Warren st., Roxbury, Mass. Price, \$1,00.

The above is a portrait of David McCreary, of Napler township, who, cn the Slet day of August, 1853, made affidavit before Justice Gorley, that he was treated for the care of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College in Cincinnati, for a ported of nearly sight months, notwittstanding which, his ity, nose, and a portion of his left check were entirely caten away! I be had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfgured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agonts. We also refer to the case of Nancy Bleakney, of Eldr-ton, Armstrong county, P.a., cured of Escrulua after being unable to get out of bed for three years. To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form. To the case of these case-overy one of which was cured by the use of the Blood Searcher-may also be found in a circular to be had of any of the Agonts. M. LEMON, Proprietor. I. THOUSANDS ARE DAILY SPEAKING in the praise of Di. EATON'S INFANTILE COR-DIAL, and why? because it never fails to afford instan taneous risif when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains NO PAREGORIC OR OPIATE of any kind, and therefore relieves by remoting the suffer-ings of your child, instead of by dealening its sensibilities. For this reason, it commonds itself as the only reliable preparation now known for CHILDREN TEEPHING, DIARDINEA, DYSENTERY, GRIPING IN THE BOWELS, AGIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CHOUP, also, for softening the gums, reducing inflammation, regulating the Bounds, and relicent pain, it has no equal-being an anti-spasmodic it is used with un-failing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save theme from thoses and and biphting come-quences which are certain to result from the use of narcotics of which all other remedies for infantile Complaints are com-paced, tale none bud DR. EATON'S INFANTILE COURDIAL; this you can rely upon. It is perfectly harmless, and can-not injure the most deliates infantile to DUPONT, No. 409 Bread-use, New York.
