From the New York Hanress, of 8d Inst. HEARTLESS MURDER-THE FIRST FROM THE NEGRO EQUALITY DOCTRINE-NEGRO ATTACK UPON UNION MEN.

Intense excitement prevails throughout Orange county, in consequence of the heart-less and deliberate murder of Phiness T. Wood, Esq., a highly respected resident of Goshen, by a black demon in human form, on Saturday evening last, and, as near as we can ascertain, for no other reason than the unfortuascertain, for no other reason that the unrun-nate man was a Union man, and therefore, opposed to the Republican principle of Nagro equality.

A Union meeting was held in the town on

Saturday evening last, and after the adjournment, most of the people having gone home, a gang of black ruffians, some fourteen or in number, made a furious attack upon a handful who remained in the public house where the meeting was held. The negroes being all stalwart, ferocious fellows, and out numbering the whites, succeeded in dispersing the letter, and leaving their marks upon them, in many a wound-the negroes remaining

masters of the field.

The news of the outrage spreading, the white men returned with fresh recruits, and administered to the negroes a severe chastisement, after which everything was quiet. This

took place on Thursday evening.
On Friday one of the negroes, thirsting for evenge, paraded the streets of Goshen with a rifle in his hand, saying he was going to shoot a G-d d-d white Democrat, and bawling out that "Every Democrat ought to have his throat cut." People thought he was not in earnest, and did not mind his threats. The negro then, with his gun loaded to the muzzle, proceeded to his home, about three miles out of the village. At this time Mr. pened to be coming along on his way to Goshen, steing whom, the negro came out, and deliberately leveled his gun at him. The gun missed fire, whereupon some words passed tween Mr. Wood and his assailant, after which the latter, unheeding of the remon strances of the unbappy man, reprimed his gun, and shot Mr. Wood dead on the spot, the ball taking effect in the back of his head.

out the second-story window and effected his escape. Two other men, one of whom is charged with bringing the notes from New York, were secured, and a thorough search of

DEALERS IN COURT-HEAVY JUDGMENT .- The New York evening papers of Saturday have the following:—It is a well known fact that there are several thousand suits on the calender of the Court of Common Pleas, brought by the Board of Commissioners of Excise, of this county, to recover a penalty of \$50 for each violation of the excise law by liquor dealers selling liquor without licenses. Some six hundred having failed to answer the complaints, judgments have recently been obtained against them in the sum of \$50 each, and \$13,13 costs, making a total sum of about \$38,000. These judgments have been entered up, and the executions will be issued forthwith.

THE EPITAPH .- Many years ago Elwood Fisher predicted that the epitaph which in future ages would be inscribed upon our political tablet would read as follows:

Heavy Seizure of Counterfelt Money.—On Monday evening last, Chief Detective Wood, of Philadelphia, acting on information previously received, made a descent upon the tavern of Manassah Price, (better known to the police as "Minnie" Price,) and there discovered between \$5000 and \$6000 in counterfeit \$5 notes on the Western Bank of that city.

As soon as the police entered, Price, suspecting their errand, immediately ran up stairs, bolted a door after him and then sprang out the second-story window and effected his escape. Two other men, one of whom is The highest point of physical

The notes were found in nearly every part of the house—in the cradle, under the carpets, in the beds, in the closets, in the yard, and on the shed. Over \$5000 was thus recovered, all of it in 5s. They were all good imitations of the genuine, with the large V in red ink on the face. All are lettered "C," and dated March 1, 1859. THE ELECTION.

BY THE BARD OF TOWER HALL. "THE ELECTION" is my subject,
O'er which many cry, "Alas,
Lincoln men are now in clover,
And all others 'gone to grass!"

I am not a politician:
Party strife I ever shun;
But I'll write on any subject,
Rife with elements of fun. There's a man—I will not name him;
For you'll guess his name, no doubt—
Who, while shooting at a rail bird,
By his gun was straightened ont.

Wednesday morn he wrote a letter, And bewailed his party's fate. "Hubby," said his wife beside him, "You're mistaken in the date! "It is not November fifteenth,
As you've written on your sheet;
"Tis the seventh—you are crazy:
The effect of your defeat!"

He replied, "'Tis right, my darling!—
You, an explanation seek—
I've been knocked with Lincoln beetles,
To 'the middle of next week " With a smile, his wife responded:

"Let the thought your grief assuage,
That the knocking set you forward,
And you're not behind the age!"

He was cheered by her suggestion,
And, no longer feeling blue,
Boldly stood a happy freeman,
Whistling "Yankee doodle doo;"
And exclaimed, "Dear wife, may husbands,
And their loyal, loving mates,
Ever stand with hearts in union,
For the Union of the States!

May the sons of all our sections,
With united voices shout,
Freedom's flag shall float forever,
And no star be blotted out! Then that flag shall wave in glory, O'er the Mammore Tower Hall, Which shall be a Clothing Defor For our happy millions all!"

The Election is over, but Tower Hall still stands, and any man in the Union, no matter what his politics may be, can purchase Clothing there, the very best, of every variety, and at the very lowest prices.

ANALYTICAL CONCORDANCE TO THE HOLY SCRIPTINES: Or, the Bible Presented under Distinct and Classified Heads or Topics. By John Eadle, D. D. The object of this concordadce is to present the Scriptures entire, under certain classified and exhaustive heads. It differs from an ordinary Concordance, in that its arrangement depends, not on words, but on subjects, and the verses are printed in full, and comprehend the entire Bible.

BEAUTY WITHOUT PAINT! Dr. F. W. Boswell's Beautifier, FOR REMOVING TAN, PIMPLES AND FRECKLES.

oct 30 ts 42]

And imparting a permanent Broom to the COMPLEX-ION. It renders rouge, wermillion, pink-saucers, and all other coloring material for the face, wholly superfluous. It supersedes entirely all such dele-terious mixtures. Lift is the most astonishing Regenerator of the Natural Hue of the cheeks, and health to the complexion ever presented to the world.

This BEAUTIFIER is just what its name imports. It is another of the extraordinary developments of chemical electric affinity, and operates like

Making the Homeliest Face Handsome, curing by degrees all the blots and discolorations of the cuticle which so often disfigure the most regularly constructed visage. It imparts at the same time that permanent Bloom to the Complexion,

which is only the result of the skin's excellent health, and of the perfect restoration of its natural stamina.

It thoroughly and immediately cures Tan, Freckles, Sunburn, Blotches, Pimples, Scurf, Skin-Worms, Moth and Small-Pox Marks.

Indeed, its effect in such case; is almost miracu-lous. Its anti-inflammatory nature is irresistible. It softens, scothes, calms, neutralizes the irrita-ting principle, and restores the health of the part affected; imparts a brilliant bloom to the cheek and lips; if produces a tint only excelled by nature itself, without the possibility of detection. Freckles are at once Obliterated:

Pimples disappear as if under the operation of a spell. POCK-MARKS FADE OUT in a manner scarce-ly to be credited even by those who witness their gradual extinction. In short, the BEAUTFIER is placed before the world for just what its inherent and unexampled medical properties warrant: not only as an article for the Tollette Beyond all Equal,

but as unquestionably, a

SCROTULE, OF KING A DATE IS a constitutional disease, a consultational disease, a consultational blood, by which this stuid becomes vitings. weak, and poor. Being in the circulation it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low, living, disordered or unhealthy food, impure as, filth and filthy habits, the depressing vises, and; above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous constitutions not only suffer from scrofulous constitutions that the base of the scrofulous constitutions are sore to the scrofulous constitutions and the scrofulous constitutions are sore that the scrofulous constitution are sore that the scrofulous constitution of the scrofulous constitutions are s

Most of the consumption which decimates the human family has its origin directly in this exercitions contamination; and many in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or

One quarter of all our people are scrofulous;
their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is con-bined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and Skin Diseases, St. Anthony's Fire, Rose, or Erysipelas, Pimples, Pustules, Blotches, Blains and Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, RHEUMATISM, SYPHILITIC and MERCURIAL DIS-EASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIAindeed, ALL COMPLAINTS ARISING FROM VITA-TED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sansapa-rilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions. contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion; Pain in and Morbid Inaction of the Bouels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-

Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

Messrs. S. W. Fowle & Co., Boston. — Dear Sirs. Having realized in my family important benefits from the use of your valuable preparation. — Wistar's Balaiam of Wild Cherry, — it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters of Wild Cherry,—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. It then procured a bottle of your excellent Blasm, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imposition, because there is a good deal of spurious Wister's Balsam of Wild Cherry gloat throughout the country.
