DISCOVERY OF THE AGE. THE GREATEST MEDICAL DISCOV-ERY OF THE AGE.—Dr. KENNEDT, of ROXDUTY, has discovered, in one of our common pastnre weeds, a remedy that cures EYERY KIND OF HUMOR,

EVERY KIND OF HUMOR, from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. One to three bottles will cure the worst kind of rimposon the face.

Two to three bottles will clear the system of filles.

Two bottles are warranted to cure the worst canker in the mouth or stomach.

Three to five bottles are warranted to cure the worst case of Eryspielss.

One or two bottles are warranted to cure all humor the Eyes.

Two bottles are warranted to cure running of the cars and blotches among the hair.

and blotches among the hair.

Four to six bottles are warranted to cure corrupt and ases of ringworm.

Two to three bottles are warranted to cure the most desrheum.

Five to eight bottles will cure the worst case of scrofula

A benefit is always experienced from the first bottle, and
a perfect cure is warranted when the above quantity is
taken.

Reader, I peddled over a thousand bottles of this in the
vicinity of Boston. I know the effect of it in overy cues.

So sure as water will extinguish fire, so sure will this cure

So sure as water will extinguish fire, so sure will this cure Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
So sure as water will extinguish fire, so sure will this cure humor. I never soid a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor, In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April. 1854, I sold over one thousand bottles per day of it. Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always

great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles.—O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people, cured by it.
