PARMERS, LOOK TO YOUR INTEREST—Received the First Premiums this Fall at our County Fair, a Silver Medal on the Telegraph Fodder Cutter and Coleman's Farm Chopping Mill, with Proseu's improvement. I have received at my Agricultural Implement and Seed Warehouse a large stock of the Telegraph Hay, Straw and Cornfodder Cutters, four sizes, Nos. 1, 2, 3 and 4, suitable for large or small Farmers.

The Telegraph Hay, Straw and Cornfodder Cutter is acknowledged to be the best Uniter now in use. We claim a great many advantages over any now manufactured: lat, It has the down cut, all the strain is on the frame where it should be; 2d, It is geared on both sides, and is not listle to wear or get out of repair; 3d, The Nos. 1 and 2 are double geared, and can be changed to cut different lengths; the shortest cut is 7 pleces to one inch for Cornfodder; in five minutes they can be changed to cut scant ½ inch for Hay or Stray. The band-wheel can (on the No. 2) be changed on either side of the Cutter to suit the power.—The greatest advantage we claim is the power. We can do as much work with one horse as those can (that first cut, then crush) with three.

Our cutter will cut shorter and make better feed, than as much work with one horse as those can (that first cut, then crush) with three.
Our cutter will cut shorter and make better feed, than those those that first cut, then crush. We all know the more power it requires to drive a Cutter the sconer it will get out of repair. We will give a few references to Farmers wanting Outters this fall: John Sener, Christian Hess, Abm. M. Hess, Benjamin Mylin, near Willow Street, Christian Zimmerman; John Weaver, A. near Concord. I could give several hundred names more if necessary.

I have also received a full supply of Coleman's Premium Farm Chopping Mill with Prosen's improvement. There are a great many of our Mills now in use in this county, and all give very good satisfaction. The Mill is very much improved over those sold two years ago. The grinding parts are 100 per cent. harder. There is a Mill running in Philadelphia which has ground from 15,000 to 20,000 bushels of grain, and is running yet without having any repairs done to it. We will give a few references for our Mills: John Leman, Benjamin Leman, John Smucker and Henry Herr, Leacock twp. James M. Hopkins, Conowinge Furnace. Benjamin Hoffman, John E. Creider, Maytown, Jacob B. Garber, near Mountville, Peter Grabill, near Petersburg, John C Strickler, near Strasburg, Benjamin Saevely, (Farmer,) and Sannel Charles, Peques Valley, Benjamin Bleacher, (Farmer,) Buck, Samuel Stultzfuse, near New Holland, John L. Byler, Smokstown, Abraham Nult, West Esil, Abraham M. Hess, Coneatoga twp.

We warrant our Mills and Cutters to give satisfaction, or no sale. We warrant our Mills and Cutters to give sammacion, or no sale.

Farmers are invited to give me a call, and examine my stock of implements, as I will sell them on the very best terms.

Want-d—New Cloverseed, at the highest market price.

COMMENDATIONS:

From Hon. Lewis D. Campell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than any thing they eyer saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy. The exquisite finish, beauty and softness of your por-traits, conjoined with their durability of color and faith-fulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art. From Col. James Page.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the City of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. nov 27 by 47.]

SOALE GRAND AND SQUARE PIANO-FORTES.
The Insulated Iron Frame presserves the original tone of
the instrument in all its purity, securing it for all time

to all climates and to all changes of atmosphere, and in
all respects it is pronounced by our "artists" the greatest
improvement of the age in Plano-Forte construction; producing an instrument acknowledged to be superior to all
others made in this country or Europe.
A FEW TESTIMONIALS IN REGARD TO THE SUPERIORITY OF OUR NEW SCALE PATENT INSULATED PIANO-FORTES.

The ERNR, etc.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.

OF THE AGE. THE GREATEST MEDICAL DISCOVERY OF THE AGE.—Dr. KENNEDY, of Roxbury, has discovered, in one of our common pasture weeds, a romedy that cures

EVERY KIND OF HUMOR.

EVERY KIND OF HUMOR,
from the worst Scrofial down to a common pinple.
He has tried it in over 1100 cases, and nover failed except
in two cases, (both thruder humor.) He has uow in his
possession over two hundred certificates of its virtue, all
within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth
One to three bottles will cure the worst kind of Pimples
on the face.

One to three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth or stomach.

Three to five bottles are warranted to cure the worst case of Eryspelas.

One or two bottles are warranted to cure all human the lyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers. unning ulcers.
One bottle will cure scaly oruntion of the skin.
Two to three bottles are warranted to cure the worst
asses of ringworm.
Two to three bottles are warranted to cure the most desrheum.

Five to eight bottles will cure the worst case of scrofula

A benefit is always experienced from the first bottle, and
a perfect cure is warranted when the above quantity is

a perfect cure is warranted when the above quantity is taken.

Reader, I peddied over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear surprising; first, that it grows in our pastures, in some places quite plentful, and yet its value has never been known until I discovered it in 1846-second, that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April. 1854, I sold over one thousand bottles per day of it.

Some of the wholessle Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of entloying fire, a disease whell we are the warm.

great and wonder at little and the considered and words always considered incurable, have been cured by a few bottles.—

O, what a mercy if it prove effectual in all cases of that awful maindy—there are but few who have seen more of it awful maindy—there are out to a surface and than I have.

I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Agus, pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than a war known.
