THE GREATEST THE GREATEST DISCOVERY OF THE AGE.

THE GREATEST MEDICAL DISCOV-BRY OF THE AGE. - Dr. KENNED, of Roxbury, has discovered, in one of our common pastnre weeds, a remedy that curves EVERY KIND OF HUMOR, from the supert Second down to a common vial.

Two to three bottles will clear the worst canker in the most of strongles. Two to the source of the

One or two bottles are warranted to cure all humor the Eyes. Two bottles are warranted to cure running of the cars and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two to three bottles are warranted to cure the worst cases of ringworm. taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.-Bo anre as water will extinguish five, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speaks for itself. There are two things about this hort bat appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its vaite has never been known until I discovered it in 1846-second, that it should cure all kinds of humor, In order to give some idea of the sudden rise, and greas is popularity of the discovery, I will state that in April, 1853, 1 peddled it and sold about six bottles per day-in April 1854, I sold over one thousand bottles per day-in April 1854, I sold over one thousand bottles per day of it. Bome of the wholesale Druggists who have been in the businese twenty and thirty years say that nothing in the anishs of pictent medicines was even like it. There is a universal prise of it from all quarters. In my own practice I always kept it strictly for humors onsidered incurable, have been found in it that I never suspected. Several cases of epileptiofits-- disease which was always considered incurable, have been cured by a few bottles.--0, what a mercy if it prove effectual in all cases of that awful malady--there are but faw who have seen more offit than i have. I know of several cases of Dropsy, all of them aged peo-ple, cured by it. For the various diseases of the Liver, Slock Headache, Dyspepsia, Athma, Fever and Ague, pain in the side, Disease of the Sinde, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever moven.
