The above is a portrait of David McCreary, of Napier township, who, or the 3lat day of August, 1858, made affidavit before Justice Gorley, that he was treated for the cure of Cancer by three physiciaus of Bedford county, and by Dr. Newton of the Eelectic College in Cincinnati, for a period of nearly eight months, notwitstanding which, his tip, nose, and a portion of his left cheek were entirely eaten away! He had given up all hope, when he has dof the "Blood Searcher," and was induced to try it. Five to eight bottles will cure the worst case of scrofula A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in overy case.—So sure as water will extinguish fire, so sure will this cure humbr. I never sold a bottle of it, but that sold another after a trial it always speaks for itself. There are two things about this berb that appear surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has nevir been known until I discovered it in 1846—second, that it should cure all kinds of humor, in order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1853, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never aisspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles.—O, what a mercy if it prove effectual in all cases of that awful malkidy—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, sick Headache, Dyspepsia, Asthma, Fever and Ague, pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.
