It cures Sore Throat, Coughs and Colds.
It cures Asthma, Scrobias, and Impurities of the Blood.
This unequalled remedy is now for the first time introduced to the public.
It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its omnt and satisfactory dealin use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account, which he gives of some of the scenes of Syrian massacres, which he obtained from those who suffered in that awful tragedy. This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.

FOR REMOVING THE HAIR, imparting to it an unequalied gloss and brilliamy, making it soft and silky in its texture and easing it to carl readily.

The great celebrity and increasing demand for this preparation, courince the propristor that one trial is only necessary to satisfy a discerning public offts superior qualities over any other preparation after present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow incrementally, and gives it a rich, soft, glossy, and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to theirous, and resore the growth to those parts which have become hald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning grav until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agroesble fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great facilities it affords in dressing the hair, which, when moist with the laryigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard tollet article which none ought to be without, as the stock of Ready Made Clothing of his own manufacture, all warranted to be well sowed and guaranteed to give entire satisfaction:

The Insulated Iron Frame preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable tinny quality of tone invariably found in all other Iron Frame Piano-Fortes. It greatly strengthens the case and thus keeps the Piano-Forte much longer in tune. It gives the instrument a much fuller, richer and sweeter tone. It adapts the Piano to all climates and to all changes of atmosphere, and in all respects it is pronounced by our "artiste" the greatest improvement of the age in Piano-Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

000 BEAUTIFUL STREL PLATE ENGRAVINGS OF THE LORD'S PRAYER FOR SALE! VALUABLE PROPERTY GIVEN AWAY The idea of representing the LORD'S PRAYER by an engraving, and ornamenting it and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by RMBER; the celebrated Bank Note Engraver, of New York city. It commences with exquisitely executed words of 'OUR FATTER,' and then follow in 'succession the other parts' of 'the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superby executed when of CORR SAYOUR and every contract of the product of the product of the picture is a superby executed beed of OUR SAYOUR and every

gant and tasteful manner. Near the bottom of the picture is a superbly acceuted head of OUE AAVIOUR, and endicing the upper part of the engraving are ten angels, each bearing one of the TEN COMMAN DMENTS.

The engraving has received the most unqualified praise from the religious community, is at there is nothing of a sectarian character about it, having been recommended by Clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20x23 inchee, and is unquestionably the chespest engraving ever offered in this country.

unquestionably the chespest engraving ever offered in this country.

Who that loves Art—who that delights to study a fine engraving—who that would receive the impressions which such a work is calculated to impart, would fail to secure a copy when the price is only ONE DOLLAR, with the chance of securing for that sum in addition, a permanent home or another valuable glift!

We are kindly permitted to refer to the undersigned, who have given us written recommendations, but want of space prevents us from giving-them in rull. Read the following:

The Elo R D'S PRAYER.

We have carefully examined this engraving, offered for sale in this community by Messrs. Austin & Wehrly, and do not hesitate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of society, and it should meet, as we understand it deterwes, with a rapid and extensive sale.

PREMIUM FOR 1860

In order to increase the already large circulation of the Knickenbookes, we publish this month a splendid line engraving of Frith's picture of 'Merry-Making in the Olden Time,' which we shall present exclusively to the \$3 subscribers to the Magazine for 1860, whether old or new. The subject represents the pastimes of our ancestors, and is eminently of a genial, domestic character. The plate, engraved in England at an expense of 2000 dollars, is entirely new, measures twenty-five by nineteen and a half inches in size, contains thirty-nine figures, and is beyond comparison the finest work of the kind ever offered as a premium in this country.

'The engraving of Frith's picture of Merry-Making in the Olden Time, represents the humors of an English holi day in the county in those good old times when the men wore cocked-hats and knee-breeches, and the women stays and hoops—a costume not essentially differing from the corset and crinoline of the present day. Almost in the centre of the picture and a little to the back-ground is a country dance on the green, with a hard-featured fiddler perched on a high seat, and snother musician in a tie-wig standing by him, playing with all their might. On the right two bouncing girls are gaily pulling toward the dance a gray-haired man, who seems valuily to remonstrate that his 'dancing days are over,' while a waggish little child pushes him forward from behind, greatly to the amusement of his spouse, who is still sitting at the tea-table. from which ho has been dragged. On the left, under a magnificent spreading oak, sit the 'squire and his wife, whom a countryman with his hat off is respectfully Inviting to take part in the dance. To the left of the 'squire is a young couple on the grass, to whom a gipsy with an infant on her shoulder is telling their fortune. Over the shoulders of this couple is seen a

shoulder is talling their fortune. Over the shoulders of this couple is seen a group engaged in quoit-playing, and back of the whole is a landscape of gentle slopes and copses. The picture has the expression of gayety through-out and the engraving is splendidly executed. It is fresh from the burin of HoLL, not having yet been published in England? from the burin of Holl, not having yet been published in England.'
