The above is a portrait of David McCreary, of Napler township, who, on the 31st day of August, 1853, made affidavi befors Justice Gorley, that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Navton of the Eclectle College in Clucionati, for a period of nearly eight months. notwitstanding which, his *tip.rose, and a portion of his left check were entirely eaten away!* He bad given up all hope, when he heard of the "Biod Searcher," and was induced to ry it. Nour bottles cured him, and although sadiy disfaured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agoats. We also refer to the case of Nancy Blackney, of Elder-ton, Armstrong county, Pa. cured of Scrofula after being, unable to get out of bed for three years. To the case of a lady. in Ansonville, Clearfield oounty, who was also afflicted with Scrofula in its worst form. To the case of George Meisel, residing in Carrolitown, Cambria county, Pa., who was no badly afflicted with Can-cer that it eat, his eitire nose off, and his case was worse, if possible, than McGreary's.
