PREMIUM FOR 1860.

In order to increase the already large circulation of the KNICKERBOOKER, we publish this month a splendid line engraving of Frith's picture of 'Merry-Making in the Olden Time,' which we shall present exclusively to the §3 subscribers to the Marxxine for 1860, whether old or new. The subject represents the pastimes of our ancestors, and is eminently of a genial, domestic character. The plate, engraved in England at an expense of 2000 dollars, is entirely bew, measures twenty-five by nineteen and a half inches in size, contains thirty-nine figures, and is beyond comparison the fincet work of the kind ever offered as a premium in this country.

inches in size, contains thirty-nine figures, and is beyond comparison the finest work of the kind ever offered as a premium in this country.

'The engraving of Frith's picture of Merry-Making in the Olden Time, represents the bumors of an English holiday in the county in those good old times when the men wore cocked-hats and knee-breeches, and the women stays and hoops—a costume not essentially differing from the corset and crinoline of the present day. Almost in the centre of the picture and a little to the back-ground is a country dance on the green, with a hard-featured födder perched on a high seat, and another musician in a fie-wig standing by him, playing with all their might. On the right two bouncing girls are gaily pulling toward the dance a gray-haired man, who seems valuly to remonstrate that his 'dancing days are over,' while a waggish little child pushes him forward from behind, greatly to the amusement of his spouse, who is still sitting at the teatable. from which he has been dragged. On the left, under a magnificent spreading oak, sit the 'squire and his wife, whom a countryman with his hat off is respectfully inviting to take part in the dance. To the left of the 'squire is a young couple on the grass, to whom a gipsy with an infant on her shoulder is telling their fortune. Over the shoulders of this couple is seen a group ongaged in quoit-playing, and back of the whole is a landscape of gentle alones and LAND PLASTER. Warranted pure. In barrels.

All who are suffering from Sor or Throat, Cougha and

This unequalited remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphelt form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of Syrian massacres, which he obtained from those who suffered in that awful tragedy. This pamphet may be obtained at our-office, or it will be sent free by mail to all who apply for it.

COMMENDATIONS:
From Hon. Lewis D. Campell, M. C., Ohlo.
My family and friends all concur in the opinion that the
(Newell) Picture is more life-like than any thing they ever
saw. My likeness has been repeatedly taken by different
Artists in various ways, but I have never yet had one
which presents to true to nature, all the features and expressions of countenance as this.

From Hon. E. Jor Mogris, late Minister to Italy.
The exquisite finish, beauty and softness of your por-raits, conjoined with their durability of color and faith-ulness as likenesses, cannot fail to commend them to the ttention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait. I procured one from Mr. Robert Newell, of the City of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. nov 27 ly 4]

This Oil acts on the sightest danger of applying it outwardly or inwardly, it at once gives a permanent cure, in most cases, from ten to twenty minutes. The best physiologists of Europe have discovered that all Organic Derangement in the Animal System is the effect of an obstruction of the Physico Electro Fluid in the organ diseased—a skillful application of this Oil puts in immediate motion the nerve fluid, and the cure is at once accomplished. No bleeding, no vomitiog, purging or blisteriog is resorted to.

ONLY ONE DOLLAR EACH 10,000 BEAUTIFUL STREE PLATE ENGRAVINGS OF THE LORD'S PRAYER FOR SALE! ALUABLE PROPERTY GIVEN AWAY

The idea of representing the LORD'S PRAYER by an engraving, and ornamenting it and arranging it in such a manner as to produce at once, a model of nextness and taste, was conceived and carried out by LRMSEY, the celebrated Bank Note Engraver, of New York city. It commences with exquisitely executed words of 'OUR PATHER,' and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the TEN COMMAN NOMENTS.

The engraving has received the most unqualified praise

each bearing one of the

TEN COMMANDMENTS.

The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by Clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20x23 inches, and is unquestionably the cheapest engraving ever offered in this country.

Who that toves Art—who that delights to study a fine engraving—who that would receive the impressions which such a work is calculated to impart, would fail to secure a copy when the price is only ONE DOLLAR, with the chance of securing for that sum in addition, a permanent home or another valuable gift?

HE E LORD'S PRAYER

We have carefully examined this engraving, offered for sale in this community by Messrs. Austin & Webrily, and do not hesitate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of society, and it should meet, as we understand it deserves, with a rapid and extensive sale.

The above is a portrait of David McCreary, of Napier township, who, on the 31st day of August, 1838, made affidavit before Justice Gorley, that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Nawton of the Eelectic College in Cincinnati, for a period of nearly eight months, not witstanding which, his lip, nose, and a portion of his left cheek were entirely caten away! He had viven up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and aithough sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this romarkable case may be seen in a circular, which can be had of any of the Agonts.
