Having occasion for a portrait, I procured one from Mr. Robert Newell, of the City of Philadelphia, a miniature in Oil Colors, under the size process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. nov 27 by 4

WHITENACK'S IMPROVED NEW JERSEY MOWER AND REAPER, WITH DORSEY'S SELF-ACTING
RAKE.
The Manufacturers of this Machine have the best rea

The Manufacturers of this alachine have the best reason for believing that it is the best Resper in use. The advantages claimed for DORBEUE'S REF-AUTING RAKE on the JERSEY REAPER, are these: It is of lighter draught than any other machine known. It is extremely simple in construction; compact and durable. The driver sits on this horse near the grain side, where he can have full riser of the operation and avoid all obstructions. It dispenses with the Reel entirely; the Revolving Arms serving a far-better purpose, gathering the grain gantly to the culture. When sufficient straw has been cut to form a proper seized sheaf, the Rake, in an easy, gracaful manner removes it from the platform, by side deliverty, leaving the track perfectly clear, so that an entire field may be cut, if desired, heafer blanding a single sheat. No straw will be found scattered between the sheaves. The sheaves are delivered with regularity. Their compact and neat appearance cannot be equalled by any hand-raker, from reaping machine or crasle swaths.

The Rake can be adjusted to suit heavy or light grain,

These Bitters for the cure of Weak Stomachs, General Debility, and for Partifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strongthen and invigorate the whole system and give a flue tone and healthy action to all its parts, by equalising the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness pseculiar to Famales, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PRE—VENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it.
They are pure and enti-nely free from the poisons contained
in the adulterated Wines and Liquors with which the

DR. J. BOVEE DODS: IMPERIAL WINE BITTERS are prepared by an eminent and skilfful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVER DODS' IMPERIAL WINE BITTERS.

THR LORD'S PRAYER

We have carefully examined this engraving, offered for sale in this community by Messrs. Austia & Wehrly, and do not heeltate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of speciety, and it should meet, as we understand it deserves, with a rapid and extensive sale.

The above is a portrait of David McCreary, of Napier township, who, on the 3lst day of August, 1853, made affidavit before Justice Gorley, that he was treated for the cure of Cancer by three physicians of Bediord county, and by Dr. Newton of the Eelectic College in Cincinnati, for a period of nearly eight months. notwitstanding which, his ip, noze, and a portion of his left clock were entirely calent away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville. Clearfield county, who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.
