 COMMENDATIONS:
 From Hon. Lawrs D. CAMPERLI, M. C., Ohio.
 My family and friends all concur in the opinion that the (Newell) Focture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presents so true to nature, all the features and ex-pressions of countenance as this.
 From Hon. E. Jor Monne, late Minister to Italy. The exquisite finish, beauty and softness of your por-traits, conjoined with their durability of color and faith-fulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.
