TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1888, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods Imperial Wine Bitters, and in this short period they have given such universal estifsaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising; and it is therefore of the utmost importance that

ment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of DR. J. BOVEE DODS?

These Biltars for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. This While Itself is of a very superior quality, being about one-third stronger than other whes; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalifing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivilying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease. in banishing Drunkonness and Disease.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and ekilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicinee, yet wed not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who, will not highly approve DR. J. BOVEE DODS' IMPERIAE WINE BITTERS. In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous missms is created, these bitters should be used every morning before breakfast.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy pale and otherwise nickly complexions indicate its necessity in almost every conceivable case. In all cases of female debility (duor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and obserful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.
