B. NEWELL, Gallery of Art, 724 Arch Street, Philadelphia. COMMENDATIONS: From Hon. Lawis D. CAMPREL, M. C., Ohio. My family and friends all concur in the opinion that the Yewell) Picture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presents so true to nature, all the features and ex-pressions of counterance as this.

From Hon. E. Joy MORELS, late Minister to Italy. The exquisite finish, beauty and softness of your por-trains, conjoined with their durability of color and faith-fininess as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

From Col. JANES PAGE. Having occasion for a portrait, I procured one from Mr. Bobert Newell, of the City of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfication given me, not only by the accuracy of the likeness, but its artis-it finish is all respect, and, recommend him to the pa-tronage of those disposed to encourage the beautiful art. nov 27 ly 4

DB. J. BOYKE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-fire years. The proprietor, before purchasing the exclusive right to manufacture and still D. J. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet wedo not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.
