COMMENDATIONS:

From Hon. Lewis D. Campenti, M. C., Ohio.

My family and friends all concur in the opinion that the

Newell) Ficture is more life-like than any thing they ever

aaw. My likeness has been repeatedly taken by different

Artista in various ways, but I have never yet had one

which presents so true to unture, all the features and ex
pressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy.
The exquisite finish, beauty and sortness of your porrate, conjoined with their durability of color and faith
alness as likenesses, cannot fail to commend them to the
ttention and patronage of all who appreciate true art.

From Col. James Page. Having occasion for a portrait, I procured one from Mr. Robert Newell, of the City of Philadelphia, a ministure in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. nov 27 1y 4

ONLY ONE DOLLAR BACH 10,000 BEAUTIFUL STREL PLATE ENGRAVINGS OF THE LORD'S PRAYER FOR SALE!

VALUABLE PROPERTY GIVEN AWAY The idea of representing the LORD'S, PRAYER by an engraving, and ornamenting it and arranging it is such a manner as to produce at once a model of neatness and taste, was conceived and carried out by CRMENY, the celebrated Bank Note Engraver, of New York city. It commences with exquisitely executed words of OUE PATHER, and then follow in succession the other parts of the Prayer, every phrase of which is sugraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUE SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the

TEN COMMAN DMENTS

The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by Clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 2023 inches, and is unquestionably the cheapest engraving ever offered in this country.

The great celebrity and increasing demand for this preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy, and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become baid, causing it to yield a fresh covering of hair. those parts which have become baid, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. It will effectually prevent the hair from turning grav until the latest period of life; and in cases where the hair has already changed its color the use of the Invigorator will with certainty restore it to its original hue, giving it a dark glossy appearance.
