From Hon. E. Joy Morris, late Minister to Italy, The exquisite finish, beauty and softness of your por-raits, conjoined with their durability of color and faith-ulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the City of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. nov 27 1y 4

Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the fortleth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for l'urifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wino itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THEEE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For WENT DISEASE, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Modicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous missma is created, these bitters should be used every morning before breakfast.

VALUABLE PROPERTY GIVEN AWAY! The idea of representing the LOBD'S PRAYER by an engraving, and ornamenting it and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by CRMESFY, the colerated Bank Note Engraver, of New York city. It commences with carquistely executed words of 'OUR FATHER, and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angals, each bearing one of the Tay of the community, as there is nothing of a sectarian character about it, having been recommended by Clergymen of all denominations. As an ornament it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20.23 inches, and is country. THELORD PRAYER

We have carefully examined this engraving, offered for sale in this community by Messrs. Austin & Wohrly, and do not hesitate to pronounce it one of the finest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the illustrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to be Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of society, and it should meet, as we understand it deserves, with a rapid and extensive sale.
