Having occasion for a portrait, I procured one from Mr. Robert Newell, of the City of Philadelphia, a miniature in Coll Colors, under the new process discovered by him, and take, great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. nov 27 1y 4

ANOTHER INSTANT CURB!!

I do cartify that Prof. De Grath's Electric Oil is infallible for Rheumatic pains. My wife for some time past has been greatly afflicted and unable to walk, has been restored by the application of this Oil almost instantaneously; and I can cheerfully recommend it to others.

John Williamson, Att'y at Law.

AFTHIS OIL ACTS ON THE STRIME WITH RIBOTRICITY.—Is of pure vegetable preparation, not the slightest danger of applying it outwardly or inwardly, it at once gires a permanent cure, in most cases, from ten to twenty minutes. The best physiologists of Europe have discovered that all Organic Derangement in the Animal System is the effect of an obstruction of the Physico-Electro Fluid in the organ diseased—a skillful application of this. Oil puts in immediate motion the nerve fluid, and the cure is at once accomplished. No bleeding, no vomiting, purging or blistering, is resorted to.

WONDERBUIL REPORTS FROM WEILLEMOUNT accomplished. No bleeding, no vomiting, purging or bilistering is resorted to.

WONDERFUL REPORTS FROM WELL-KNOWN CITIZENS.

PILES AND THE RUEUMATISM.—Some remarkable cures are daily coming to light:—Charles Sexton, Esq., ex. Mayor of the City of Camden, says, the "Electric Oil" cured his Piles by six applications; also, Rhemmatism. He says it is a very valuable remedy, and everybody ought to know it. NEURALGIA.—Mr. David Mann, 469 Vine street, says Dograth & Co.'s "Electric Oil" cured him, and that he was a great sufferer.

Ban Sprain,—Mr. A. D. Highfield, No. 12 Howard street, met with a serious accident, which laid him up, says: He tried everything, even the usual cold water shower without any benefit—used a single bottle of the Oil, which cured him—also says it cured frosted feet.

CATARRIN IN THE BRAST.—Mr. WARIOW'S little girl was cured. This is a very interesting case. Come and see.

A NDREW JACKSON'S REMEDY

Changing the subject, Dr. Edgar asked him what he would have done with Calhoun and other nullifiers if they had kept on—

"Hung them, eir, as high as Haman," was the instantaneous reply. "They should have been a terror to traitors to all time, and posterity would have pronounced it the best act of my life."

As he said these words, he half rose in his bed, and all the old fire glowed in his old eyes again.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1868, the undersigned for the first time offered for saic to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an extablished article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily all.

from all who have not used them. We challenge the world from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and inrigorating the whole system from the head to the feet. As these Bitters are tonic and altorative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalising the circulation, removing obstructions, and producing a general warmth. They are also excellent for Digesses and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PRE—and in this respect are doubly valuable to the person who may use them. For INOIPIENT CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requir-

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tallors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beversge, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these litters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.
