TOR.—An Effective, Safe and Economical Componed, FOR RESTORING ORAY HAIR to its original color with out dyelog, and preventing the Hair from turning gray... FOR PREVENTING BALDNESS, and caring it, when there is the least particle of tilality of recuperative energy remaining. FOR REMOVING SCURF AND DANDRUFF, and all createneous affections of the Scap. FOR BEAUTIFYING THE HAIR, imparting to it an un equaled glose and brilliancy, making it soft and silky in its texture and causing it to cari readily. The great celebrity and increasing demand for this prepa-ration, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior quali ties over any other preparation at present in use. It cleanses the head and acain prior usuriantly, and gives it a rich, soft, glossy, and flexible appearance, and also where the hair is locosoning and thinning, it will give strength and vigor to theiroots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds clades and genitimms in New York who have had their hair restored by the use of this luvig-orator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will efficiantly prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color the use of the invigorator will with certainty restore it to its original hue, giving it a drx, glosey appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragmate, which, when moist with the Invigor-tor can be dressed in any required form so as to preserve is place, whether plain or in curis—hence the great demand for it by the ladies as

My family and friends all concur in the opinion that the Newell) Picture is more ille-like than any thing they ever new. From Hon. E. Jor MORRIS, late Minister to Italy. The arquisite finish, beauty and softness of your por traits, conjoined with their durability of color and faith falness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the City of Philadelphia, a miniature in Oll Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its arti-tic fulsh in all respects, and recommend him to the pa-tronage of these disposed to encourage the beautiful art. nov 21 Jy.4

CUMMINGS & PEACOOR, IMPERIAL WINE BITTERS!! from all who have not used them. We challenge the world to produce their equal. Those Bitters for the cure of Weak Stomachs, General Debility, and for Parifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other whee; warming and inrigor-ating the whole system from the head to the fact. As these Bitters are tonic and alterative in their character, so they strengthen and inrigorate the whole system and give a fine tone and healthy action to all its parts, by equaliz-ing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is re-rquired to strengthen and faintness, should be without them, as they are revirifying in their action. THEBE BITTERS WILL NOT ONLY CURE, BUT PRE-WENT DISEASE, and in this respect are doubly valuable to the person who may use them. For Sore Throat, so common among the viergy, they are truly valuable. For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book Keepers, Tallors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial. As a Beverage, they are wholesome, innocent, and de-licious to the tasts. They produce all the exbilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of ex-cessive strong drink, and who wish to refuse of the the construction drink, and who wish to refuse no the the addictared Wines and Liquors with which the country is flooded.

in the adulterated Wines and Liquors with which the country is flooded. These Bitters not only Cura, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Ferera are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity. Physicians, Clergymen and tamperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease. IN ALL AFFECTIONS OF THE HEAD, SICK HEAD-ACHE, OR NERVOUS HEADACHE, DR. DODS' IM-PERIAL WINE BITTERS WILL BE FOUND TO BE MOST SALUTARY AND EFFICIATIOUS.

BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and akilfui physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dode' Celebrated Imperial Wine Bitters, had them tested by two distin-guished medical practitioners, who pronounced them a valu-able remedy for disease. Although the medical me of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR.
