A NDREW JACKSON'S REMEDY
Changing the subject, Dr. Edgar asked him what he
would have done with Calhoun and other nullifiers if they "Hung them, sir, as high as Haman," was the instantaneous reply. "They should have been a terror to traitors to all time, and posterity would have pronounced it
the best act of my life."

As he said these words, he half rose in his bed, and all
the old fire glowed in his old eyes again.

DEMOCRATIC AND CONSERVA-TIVE NEWSPAPER IN THE CITY OF NEW YORK. NEW YORK WEEKLY ARGUS. TO RESTORE THE UNION AND MAINTAIN THE CONSTITUTION.

For several years the Democratic and Conservative sentiment of the Nation has been keenly alive to the necessity of being faithfully and ably represented by a first-class Newspaper, published in the city of New York, adapted to popular circulation, and wielding a wholesome influence throughout the Union. The great want has been and is a paper, which shall sustain the same relation to Democratic and Conservative principles, as does the New York Tribune to Abolitionism and all kinds of Radicalism—a paper conducted with talent and prudence, with correct appreciation of the true principles of our Government and fidelity to them, in all respects a first-class newspaper, and yet afforded at a price bringing it within the reach of the masses of the People throughout the Country.

The undersigned, from their connexion with the Albany Atlas & Argus—one of the oldest and best known Democratic papers in the Union—have been constantly urged, during the last three or four years, to respond to this demand, by establishing a first-class Weekly newspaper in the Uity of New York, adapted to general circulation. We yield to the wishes of our political friends, and have therefore determined to transfer the publication of the Weekly Atlas & Argus to the Oity of New York, and to issue if TO RESTORE THE UNION AND MAINTAIN THE

STEREOSCOPES AND VIEWS.

Our establishment is the great Emporium for everything in the Stereoscopic line, and our assortment is the most complete probably of any in the world.

The Stereoscopic is the most instructive, interesting, entertaining, amusing and exciting of modern inventions. None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty. No home is complete without it, and it must and will penetrate everywhere.

It presents to your view every part of the world, in all the relief, boldness, perspective, and sharpness of detail, as if you were on the spot.

We have an immense variety of Views of Scenes in Paris, London, England, Scotland, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, The Rhine, Versailles, St. Cloud, Fontainebleau, Tullleries, Italy, Turkey, Egypt, Athens, the Holy Land, Chins, India, Crystal Palace, also Groups Historical, amusing, marriage scenes, brakfast scenes, pic nics, statuary, etc., etc. An exquisite assortment of Illuminated interiors of Palacee, Churches, and Cathedrals of France, Italy, etc., etc. The effect of these illuminated views is most remarkable.

Anthony's Instantaneon Stereoscope Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for the seal of a second, and everything, no matter how rapidly it may be moving, is depict

TO THE PEOPLE OF THE UNITED STATES.

In the mouth of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bedily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the atmost importance that a strict attention to the least and most trifling bodily all-

a strict attention to the least and most triflig bodily a ment should be had; for diseases of the body must have ably affect the mind. The subscribers now only ask trial of DR. J. ROVEE DODS' IMPERIAL WINE BITTERS! from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Parifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine litself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing ing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their, action.
THESE BITTERS WILL NOT ONLY CURP, BUT PREMOVED TO THE SERVICE AND THE S

VENT DISEASE,
and in this respect are doubly valuable to the person who
may use them. For
INCIPLENT CONSUMPTION,
Weak Lungs, Indigestion, Dyspopsia, Diseases of the
Nerrous System, Paralysis, Piles, and for all cases requiring a Tonic DELBRATED WINE BITTERS ARE UNSURPASSED!
Por Sore Throat, so common among the Clergy, they are
truly valuable. SURPASED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhiinarting effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chillis and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Glergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD—ACHE, OR NERVOUS HEADACHE, DR. DODS' IMPERIAL WINE BITTERS WILL BE FOUND TO BE MINST SALUTARY AND EFFICACIOUS.

FEMALES.

The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fall to keep a supply.

DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has use them will not fail to keep a supply.

DR. J. BOYEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boves Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprore of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a polsonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so icusty
