away the tedium of camp-life in the absorbing review of its FORTY BRILLIANT COLUMNS, finding in them afascicating mental discipline known only to those who rally to the Banner-Sheet of the Grand Army of American Intellect and Genins! In commencing a New Year, the proprietors of The New York Mercary can ouly say, that it shall be their aim to make their great family journal of American literature, for 1862, more brillant and enchanting than ever, in its concentration of all the world's grandest and most beauti-ful specialities in healthful Romece, graceful Poetry, ele-gant and qualit Gossip, refining Knowledge, sparkling Humor, and entertaining News-until, like love, it "—— rules the court, the camp, the bower," as it already rules the hapy domestic fireside. The editorial tone and National departments of The New York Mercury will continue true to that lofty spirit of patrotism which has made it is a necessity of the people since the War began, and kept it in entbusiastic demand when other sheots were dying all around it for want of popular support.

since the way open, here dying all around it for want of e popular support. Already the largest Literary Journal in the world, and a famous as the focus of a thousand brilliant literary repu-tations, its programme for 1882 will be magnificent beyond all precedent. The most celebrated pass of this country and Europe have been secured in the service, at an outlay equal to the expose of more than one national govern-ment in the Oid World 1 and its novelstes, or continued storles, for 1862, will be the most splendid triumphs of elegant Fiction ever published. To these, too, the magic pendl of the greatest of American artists, Mr. Felix O. C. Darley, will lend the aid of pictorial art. Our story, initiatory of the New Year, is a splendid national Romance, commending in the New York Mercury of Saturday, January 4th. 1862, and entitled THE BATTLESNAKE:

We would call particular attention to

To the month of Decomber, 1858, the undersigned for the first time officed for cale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an estab-lished article. The amount of bodily and mental misery arising simply from a neglect of small complaints is sur-prising, and it is therefore of the utmost importance that a strict attention to the least and most triling bodily all-ment should be had: for diseases of the body must invari-ably affect the mind. The subscribers now only ask a trial of D.R. J. BOVEE DODS'

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!!

DR. J. BOVEE DODS' *IMPERIAL WINE BITTERS!* from all who have not used them. We challenge the world to produce their equal. These Bitters for the cure of Weak Stomachs, General Debility, and for Parifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a flo- tone and healthy action to all ite parts, by equaliz ing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculia and faitness, where a Tonic is re-paired to astrengthen and trace the system. No Lady, who is subject to lassitude and faitness, short a Tonic is re-paired to astrengthen and brace the system. No Lady, who is subject to lassitude and faitness, short be without them, as they are revisifying in their action. THESE BITTERS WILL NOT ONLY CUKE, BUT PRE-VENT DISEASE, and in this respect are doubly valuable to the person who may use them. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive C proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply. DR J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used thom successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Borce Dods' Calebrated Imperial Wine Bitters, had them tested by two distin-guished medical practitioners, who pronounced them a ralu-able remedy for disease. Although the medical men of the country, as a general thing disaprove of Patent Medicine, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properies, who will not highly approve DR, J. BOVEE DODS' IMPERIAL WINE BITTEIRS.

WINE BITTENS. In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous misama is created, these bitters should be used every morning before breakfast. DR. J. BOYLEE DOBS' IMPERIAL WINE BITTERS are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Scal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experi-enced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

This unequalled remedy is now for the first time intro-duced to the public. It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronunced hopeless by learned physicians in Europe. He has forwarded to us io writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full ac-count of the medicine. At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distri-bution.
