This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. A HIGHLY USEFUL INVENTION.

WM. ELLMAKER. of New Helland, Lancaster county, Pa., obtained Letters Patent the 22d of October, 1861, for a valuable improvement in a SELF-ACTING CARRIAGE BRAKE.

This is just the thing wanted on our hilly roads. The arrangement is se simple, cheap, and performs its duty with such certainty, locking just in proportion to the steepness of the bill, by the pressure of gravitation, and that, too, by a gradual bearing, relieving the horse from a sudden jerk, as well as to prevent the raising of the shafts, and again ro-acting with equal case to the horse, by means of a spiral spring, making it altogether the mest complete and desirable appendage that could be applied to carriages.

The simplicity abaseness and establity of performing.

the most complete and desirable appenuage that could applied to carriages.

The simplicity, cheapness, and certainty of performing its duty faithfully, without being liable to get out of repair, and its ready adaptation to all classes of vehicles, makes this invention peculiarly desirable, and will not fail to recommend it to every beholder, and bids fair to come into general use.

A Changing the subject, Dr. Edgar asked him what he

"THAT STANDARD SHEET." GREAT NATIONAL BANNER OF INTELLECT, FOR AMERICAN HEARTS AND HOMES! THE NEW YORK MERCURY. NEW YEAR WITH AN OLD FRIEND

On New Year's day of 1862, that world-renowned and unrivaled gun of American journalism, the peerless New York Miracura, will enter upon the twenty-fourth year of the most brilliant career ever achieved by a paper. During the past year it has been the teacher, story-teller, mentor, and oracle of two bundred thousand American homes, from ocean to ocean—and from Quebec, in Canada, to Pensacola, on the Guil of Mexico. Young and old, rich and poor, have reveled in its enchanting stores of wisdom, romance, art, poetry, and genial humor; and its praise is "Famillar in their mouths as household words."

The noble patriot-soldier in his tent, too, has whiled away the tedium of camplife in the absorbing review of its FORTY BRILLIANT COLUMNS, finding in them a fascinating mental discipling known only away the tenth of campine in the according review of its FORTY BRILLIANT COLUMNS, finding in them a fascinating mental discipline known only to those who raily to the Banner-Sheet of the Grand Army of American Intellect and Genius!

In commencing a New Year, the proprietors of The New York Mercury can only say, that it shall be their aim to make their great family journal of American literature, for 1862, more brilliant and enchanting than ever, in its concentration of all the world's grandest and most beautiful specialities in healthful Romsuce, graceful Poetry, elegant and quaint Gossip, refining Knowledge, sparkling Humor, and entertaining News—until, like love, it is at already rules the happy domestic fireside.

The editorial tone and National departments of The New York Mercury will continue true to that lotty spirit of patriotism which has made it a necessity of the people since the War began, and kept it in enthusiastic demand

The editorial tone and National departments of The New York Mercury will continue true to that lofty spirit of patriotian which has made it a necessity of the people since the War began, and kept it in enthusiastic demand when other sheots were dying all around it for want of popular support.

Already the largest Literary Journal in the world, and famous as the focus of a thousand brilliant literary reputations, its programme for 1862 will be magnificent beyond all precedent. The most celebrated pens of this country and Europe have been secured in the service, at an outlay equal to the expense of more than one national government in the Old World! and its novelettes, or continued stories, for 1862, will be the most splendid triumphs of elegant Fiction ever published. To these, too, the magic pencil of the greatest of American artists, Mr. Felix O. C. Darloy, will lend the aid of pictorial art.

Our story, initiatory of the New Year, is a splendid national Romance, commencing in the New York Mercury of Saturday, January 4th. 1862, and entitled.

from all who have not used them. We challenge the world to produce their equal.

Those Bitters for the curs of Weak Stomachs, General Bebility, and for Purifying and Euriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other winas; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthon and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revirifying in their action.

THERE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For WENT DISEASE, and in this respect are doubly valuable to the person who may use them. For MICIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Pilea, and for all cases requiring a Tonic DR. DODS' CELEBRATED WINE BITTERS ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable. For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhiliarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalont. Being entirely innocent and harmiess, they may be given freely to Children and Infants with impunity.

Physicians, Cliergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and throrely essentially aid in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD. SICK HEAD—

FEMALES. The many certificates which have been tendered us, and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODE' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not helieve that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS BR. J. BOVEE DODS: IMPERIAL WINE BITTERS
are composed of a pure and unadulterated Wine, combined
with Barberry, Folomon's Seal; Comfrey, Wild Cherry Tree
Bark, Spikenard, Chamomile Flowers and Gentian. They
are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be
classed among the quack nostrums which flood the country,
and against which the Medical Profession are so justly
restricted. and against which the algument received as a prejudiced.

These truly valuable Bitters have been so thoroughly tested by all clarses of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEVERAGE.

The great celebrity and increasing demand for this preparation, convince the preprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutamous diseases. Causes the hair to grow incuriantly, and gives it a rich, soft, glossy, and fluxible appearance, and also where the hair is glossy, and thinding, it will give strength and vigor to the groots, and restore the growth to those parts which have become bald, causing it to yield fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession latters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turping gray until the latest period of life; and in cases where the hair has already changed its color the use of the Invigorator will with certainty restore it to its original the; giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it afford in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to pressere its place, whother plaint or in curly—bence the great demand for it by the ladies at a standard toilet article which mose ought to be without, as the price places it within the reach of all, being ONLY TWENTY-FIVE CENTS per bottle, to be had at all respectable druggists' and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the childrens' Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the escalp the removal of which is necessary both for the health of the child, and the future appearance of the Hair.
