It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has for warded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine. bution. One of our most favored contributors is about to publish a volume that canout fail to be agreeable, to not only our readers, who are familiar with the semi-piquant, semi-philosophical style of working out his ideas, but the reading public at large. Willie Ware is a young but powerful and dashing writer—one who is destined to make his mark on the literature of the age, and should, therefore, in his early efforts, (which, by the way, are far from being crude, in either thought or word,) be encouraged.

TO THE PEOPLE OF THE UNITED

STATES...

In the month of December, 1858, the understand for the first time offered for gale to the public Dr. J. Bovee Dods. Imperial Wine Bitters; and in this short period they have given such universal satisfaction to the many thousand of persons who have tried them that it is now an established article. The amount of bodily and mental misray arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalising the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lessitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREWENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhiliarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it.

They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Cure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevera are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physiciane, Clergumen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially aid in banishing Drunksonness and Disease.

No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS DR. J. BOVEE DODS: IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every morning before breaklast.
